THE COLMA CONVERSATION ***Engaging the Community During Challenging Times***

Today's extraordinary times mean it is more important than ever for the Town to engage with residents on current and future needs and priorities. In that spirit, the Town has launched ***The Colma Conversation*** – an interactive community engagement survey to hear from you.

This conversation will also help the Town plan for this year's budget process as we look to the future effects of the current crisis. The Town will be incorporating your feedback to reflect the services that are most important to in our future planning.

Please add your feedback today, by ranking the following in importance from 1-4, with 1 being the most important.

- Preparing for a medical or catastrophic emergency
- Support our local small businesses
- Maintaining neighborhood police patrols
- Continued crime investigation and reduction services
