MEMBERSHIP CARD INFORMATION:

3. Will I receive a new card every month?

Participants will receive a *Got Wheels!* membership card when they register. The card will be active while the participant is registered in the program.

Although we do not anticipate any major issues with the card system, if something ever does happen the drivers have been instructed to accept the ride with the same *Got Wheels!* fee structure (\$5 per one-way trip). This ride will be tracked, and all the information will be entered manually at the end of the day. ***If a participant takes additional rides past the 6 allotted due to a malfunction, those rides will be deducted from the following month. Please note that it is your responsibility to keep track of the number of rides you have remaining.***
