RESPONSE TO COVID-19

Sanitation

We've modified our programs to adhere to increased sanitation guidelines. We will be limiting use of shared materials and increasing our daily cleaning and sanitizing. We are increasing regular hand washing and having access to hand sanitizer when hand washing is not available. High touch areas is sanitized periodically though the day and at the end of the day.

Social distancing and reduced participants

During drop-off and pick-up, we ask that only a single caregiver enter with the participant(s). Social distancing of at least 6 feet will be required at all times, and will be distanced throughout the program. We have also chosen to limit the number of participants per program.

Face coverings and health screenings

Staff, participants and caregivers will be required to wear a face covering at all times while in the facility and participating in Recreation program. In addition, participants temperature will be checked upon arrival. If the participant is exhibiting COVID-19 symptoms we ask that they do not attend the program. Anyone exhibiting symptoms will be asked to leave and return 72 hours from when symptoms end.

Cancellations and adaptations

We are in a constantly changing environment and we will be following guidelines closely. We are prepared to modify programs if necessary. There may be a need to cancel or reschedule programs. If that occurs, participants will be contacted.
