RESPONSE TO COVID-19

Sanitation

We've modified our programs to adhere to increased sanitation guidelines. We will be limiting use of shared materials and increasing our daily cleaning and sanitizing. We are increasing regular hand washing and having access to hand sanitizer when hand washing is not available. High touch areas are sanitized periodically throughout the day.

Social distancing and reduced participants

During drop-off and pick-up, we ask that only a single caregiver enter with the participant(s). Social distancing of at least 6 feet will be required at all times, and will be distanced throughout the program. We have also chosen to limit the number of participants per program.

Face coverings and health screenings

Staff, participants and caregivers will be required to wear a face covering at all times while in the facility and participating in Recreation program. In addition, participants temperature will be checked upon arrival. If the participant is exhibiting COVID-19 symptoms we ask that they do not attend the program. Anyone exhibiting symptoms will be asked to leave and return 72 hours from when symptoms end.

Cancellations and adaptations

We are in a constantly changing environment and we will be following guidelines closely. We are prepared to modify programs if necessary. There may be a need to cancel or reschedule programs. If that occurs, participants will be contacted.

Employee Spotlight...

Aidan Gonzalez, Recreation Leader
Colma Employee: 2 years

Why did you want to work with the Town of Colma?
 I have always wanted to work with Colma, because I was a LIT (Leader In Training) for 3 summers. I always wanted to be a recreation leader when I was a camper.

What is your favorite part about working here?
 My favorite part about working in Colma is the kids and the community. Prior to the pandemic, we use to have events and I always enjoy talking to residents and their kids.

When you're not at work, what are some things you like to do?
 When I am not at work I enjoy skateboarding, playing guitar, and the outdoors.

What are your plans for the future?
 In the future, I want to become a mechanical engineer and continue playing guitar.

What is your best tip for health and wellness?
 The best tip I have for health and wellness is to pick up a hobby and stay active.

Fun Fact:
 I have lived in Colma my whole life.
