Employee Spotlight...

Sofia Cartagena, Facility Attendant
Colma Employee: 4 years

Why did you want to work with the Town of Colma?

I was looking for a first job to work at after high school and was told about the recreation department. I thought it would be a great opportunity for me because I love to work with kids, and it allowed me to be more involved with the community.

What is your favorite part about working here?

I enjoy interacting with the residents as much as we can, sharing our creativity through the events and activities, and providing for the community is always a great feeling.

When you're not at work, what are some things you like to do?

I like to find new food places to eat at, I love to explore the city and go on adventures, go on hikes, watch sunsets, listen to music, and I like to stay active by playing soccer or working out at home.

What are your plans for the future?

After I graduate from SF State, I plan to go to graduate school to continue my studies in Kinesiology.

What is your best tip for health and wellness?

Reaching out to loved ones, eating healthy and organic foods, drinking lots of water, staying active, managing stress, and practicing self-care and meditation once in a while is always good for the mind, body, and soul.

Fun Fact:

Sunsets, beaches, plants, dogs, anything matcha, chocolate and music are all things that make me extra happy.

RESPONSE TO COVID-19

Sanitation

We've modified our programs to adhere to increased sanitation guidelines. We will be limiting use of shared materials and increasing our daily cleaning and sanitizing. We are increasing regular hand washing and access to hand sanitizer when hand washing is not available. High touch areas are sanitized periodically throughout the day.

Social distancing and reduced participants

During drop-off and pick-up, we ask that only a single caregiver arrive with the participant(s). Social distancing of at least 6 feet will be required at all times and will be distanced throughout the program. We have also chosen to limit the number of participants per program.

Face coverings and health screenings

Staff, participants, and caregivers will be required to wear a face covering at all times while in the facility and participating in Recreation programs. In addition, participants temperature will be checked upon arrival. If the participant is exhibiting COVID-19 symptoms, we ask that they do not attend the program. Anyone exhibiting symptoms will be asked to leave and return 72 hours after symptoms end.

Cancellations and adaptations

We are in a constantly changing environment and we will be following guidelines closely. We are prepared to modify programs if necessary. There may be a need to cancel or reschedule programs. If that occurs, participants will be contacted.
