**Employee Spotlight...**

Theodore Cook, Facility Attendant  
Colma Employee: 2 years

**Why did you want to work with the Town of Colma?**

The convenience of being a resident, but also its focus on communications & building rapport/relations with its residents was a highlighted factor into why I applied to work for my hometown.

**What is your favorite part about working here?**

Seeing the smiles on residents' faces. Whether it's hosting bingo, summer camp or a party, I think the residents of Colma & others alike really appreciate what we do here & being able to be a part of that, Giving to the community is something that brings me joy.

**When you're not at work, what are some things you like to do?**

When I am not at work I will probably be playing on my drum set during the week, though on weekends I enjoy going to dance & see DJs spin records & bands play loud at local venues with my friends or be on the hunt for a new and exciting restaurant to try.

**What are your plans for the future?**

Currently I am in school studying as a Psychology major. I would love to continue in school, learning more about the arts that I like such as cinema/film, photography as well as painting.

**What is your best tip for health and wellness?**

One tip I would strongly recommend is to wash your hands! We literally touch so many things and it doesn't hurt to wash often, especially during this pandemic.

**Fun Fact:**

I am an artist! During my time here I've revolved through different mediums like producing music on my laptop, painting & poetry, etc. I was really into film photography, using old hand-me-down film cameras from family & friends. Currently my most recent passion/hobby is drumming. The energy and passion that goes into my drumming has been a really good outlet for me and playing for people makes me really happy.
