Recovered Stolen Vehicle and Loaded Stolen Firearm

Colma, CA - On 1/6/2022 at approximately 3:27PM, Colma Police Officers responded to an automated license plate reader (ALPR) alert of a reported stolen vehicle driving through Colma. Officers circulated the area and located the vehicle, a grey Dodge Charger, in a restaurant drive-through on Serramonte Center in Daly City. After officers devised a plan to safely apprehend the driver, the solo occupant of the vehicle, they made contact with the suspect, who complied with the officer's commands and was taken into custody without incident.

The Charger, which had been stolen out of Salinas, was determined to have the license plate from a second stolen vehicle attached to it. Officers conducted a search of the vehicle and located a loaded 9mm Glock handgun, which was later determined to be stolen out of Louisiana.

The suspect, a 20-year-old resident of Alameda, was on searchable supervised probation out of San Mateo County and had a prior felony conviction. He was booked into the San Mateo County Jail for possession of a stolen vehicle, possession of a stolen firearm, felon in possession of a loaded firearm, and numerous other weapons related charges.

The suspect and vehicle were determined to be tied to multiple crimes throughout the Bay Area. The investigation is still ongoing. Anyone with information about this investigation is encouraged to contact the Colma Police Department Detective Bureau at (650) 997-8321. If you wish to remain anonymous, you may call the anonymous tip-line at (650) 997-8337.
