Employee Spotlight...

Mariah Esquivel, Recreation Leader
Colma Employee: 3 years

Why did you want to work with the Town of Colma?

I lived in Daly City for a few years and during that time I wanted to work somewhere in walking distance where I was also able to pursue my interest in working with kids.

What is your favorite part about working here?

My favorite part has to be how close and welcoming the community is. Also, I love working with the kids, and learning from them.

When you're not at work, what are some things you like to do?

I enjoy going to the gym, thrifting, getting acai bowls, listening to music, and hanging out with friends.

What are your plans for the future?

I plan to finish my 4 years in college, get my bachelors degree in Linguistics and hopefully work internationally as a Speech Pathologist for kids. But I take everyday one step at a time, so anything can change :).

What is your best tip for health and wellness?

When I feel stressed I like to lay on the ground, whether that's in my room or on the grass and listen to Beach House or Billie Eilish - something relaxing, and take deep breaths.

Fun Fact:

I use to have a big fear of squirrels because when I was 5 a group of them chased me while I was eating my lunchable. Since I go to college literally in the woods, I got used to being around them.
