Employee Spotlight...

Rebecca Walton, Facility Attendant
Colma Employee: 2.5 years

Why did you want to work with the Town of Colma?

Before working with The Town of Colma I used to work for Daly City Park and Rec. One of my very close friends was working with Colma and she always invited me to the community events that Colma hosted. The events were so much fun and Colma's inclusivity and strong connection to their community is what had drawn me to start working with them.

What is your favorite part about working here?

My favorite part about working with Colma is being able to communicate with the residents at community events as well as working with the kids. My favorite event to work at is the summer community fair!

When you're not at work, what are some things you like to do?

I enjoy going to the gym, attending concerts, walking through museums, trying new foods and hanging out with friends. I love to be out trying to new things and making fun memories.

What are your plans for the future?

I plan to finish all 4 years of college at SFSU. I'm currently majoring in Early Childhood Development and plan on minoring in Special Education. I want to become a occupational therapist for kids with autism. During my time in college, I will go abroad to different countries and I hope to be able to work with children from all around the world in the future.

What is your best tip for health and wellness?

When I am feeling stressed and anxious a way to cope with it is disconnecting myself from the world and focusing on my own well-being. I won't use social media and I stay away from my phone as much as possible. I try doing things that are productive like going to the gym, walks outside and even going for a drive by myself. Taking a moment to pause and slow down from continuous busy schedules.

Fun Fact: A fun fact about myself is that I will be studying abroad in South Korea for the Academic Year 2022-2023!
