**Employee Spotlight...**

Faith Bautista, Recreation Leader  
Colma Employee: 1 year

**Why did you want to work with the Town of Colma?**  
Having grown up in the Town of Colma, I have spent much of my childhood participating in town-hosted activities and events. I can recall the many positive experiences I have had, and now that I am older, I am fortunate to be able to give back to this community and help create more enjoyable experiences through being a Recreation Leader.

**What is your favorite part about working here?**  
My favorite part about working with Colma is being able to engage with those who attend Colma events and connecting with them. The culture around Colma is inclusive and fun to be around!

**When you're not at work, what are some things you like to do?**  
Some things I like to do are bullet journaling, reading, and going out with friends! I also enjoy going to the movies, karaoke, and new restaurants.

**What are your plans for the future?**  
My plan is to finish my associate degrees at Skyline College, before transferring to a four-year university in the fall of 2024. I am currently pursuing Associate in Science degrees for both Business Administration and Political Science. I hope to eventually work in corporate law in the future.

**What is your best tip for health and wellness?**  
My best tip for health and wellness is to remember to not criticize yourself too harshly. Being nice to yourself and giving yourself the grace to make mistakes and grow from them is an important part of mental health. Acknowledging your own emotions is valid, and you are allowed to step back and take breaks when you need them for the sake of your wellness.

**Fun Fact:**  
A fun fact about myself is that I have learned how to play four instruments!
