Employee Spotlight...

Grace Eichensehr, Facility Attendant
Colma Employee: 1 year

Why did you want to work with the Town of Colma?
I knew working for the town would open doors for me and it has. I love seeing how much Colma does for their residents.

What is your favorite part about working here?
My favorite part about working here is interacting with the Town of Colma residents, especially the seniors. I love learning with them, hearing their stories, recipes, and jokes.

When you're not at work, what are some things you like to do?
In my free time I like to go fishing with my family, take road trips, cook, embroider, and sew.

What are your plans for the future?
I'm thinking about joining the marines like my brother and going back to school for my BA. In the future, I hope to be a salon inspector for the state of CA.

What is your best tip for health and wellness?
My best health tip is to drink a lot of water. I also stay busy by keeping my schedule full and try not to look at screens too much.

Fun Fact:
A fun fact about me is that I drove straight to Seattle by myself in 12 hours.

NEW!! Cirque Du Soleil-Corteo *(all ages)*

Corteo, which means cortege in Italian, is a joyous procession, a festive parade imagined by a clown. The clown pictures his own funeral taking place in a carnival atmosphere, watched over by quietly caring angels. Juxtaposing the large with the small, the ridiculous with the tragic and the magic of perfection with the charm of imperfection, the show highlights the strength and fragility of the clown, as well as his wisdom and kindness, to illustrate the portion of humanity that is within each of us.

In a Cirque du Soleil first, the stage is central in the arena and divides the venue, with each half of the audience facing the other half, giving a unique perspective not only of the show, but also a performer’s eye view of the audience. An atmosphere like never seen before in Cirque du Soleil arena shows. The set curtains, inspired by the Eiffel Tower, and the central curtains, which were hand painted, give a grandiose feel to the stage. This sets the tone for the poetry of Corteo.
