I wanted to work here because I believed that it would give me a great opportunity to connect with people and I would be able to create an impact on the campers lives.

What is your favorite part about working here?

My favorite part about working here is interacting with the campers and knowing each day is going to be a different adventure.

When you're not at work, what are some things you like to do?

On my free time, I like to keep myself busy by doing schoolwork, going on walks, and hanging out with my family and friends.

What are your plans for the future?

I plan to pursue a degree in Kinesiology and Allied Health, and I hope to soon find a career path I would like to take. In the future, I want to be able to create changes in peoples lives and help out the community in any way!

My best tip for health and wellness is to always get a good night's rest and to have a positive attitude.
