

Columbia Township Parking Light Repair & Additions

53053 County Road 388

Grand Junction, Michigan 49056

(269) 434-6227

(616) 218-3761 Township Supervisor Ken Speicher

Columbia Township is entertaining bids to complete an electrical project for the Township Hall's exterior lighting.

Bids will be accepted until February 12, 2020 at 1 p.m.

Bids can be dropped off at the Township Hall or mailed (but must be received by February 12th) to PO Box 323, Grand Junction, MI 49056.

The following items **must** be included in the bid:

1. Company Name
2. Company Address
3. Contact Name
4. Contact Phone
5. Contact Email
6. Company TIN/EIN
7. License #
8. Estimate that includes the following items:
 - a. Straightening/securing pole by CR 388 (see photo/diagram)
 - b. LED fixture covering at least 120 degrees on pole near CR 388 (see photo/diagram)
 - c. Replace current flag pole light with dusk to dawn LED light that is effective at lighting the flag in most conditions (see photo/diagram)
 - d. Add motion detector LED light on building for employee parking area (see photo/diagram)
 - e. Add LED flood light (connect to current switch for other parking lots) and ground fault outlet on pole off of the southeast corner of the building (see photo/diagram)

There are two lights fixtures on the pole with power from inside the township hall. The Pole is leaning and has to be straighten.

Add a light for the flag on dust to dawn.

Add a motion detector light on the building for the employee parking area.

The pole at this location was damaged and replaced by the utility company but did not re-install the township light fixture or the outside plug on the pole. It needs to have an outside light and a ground fault outlet. The wires are on the pole.

- The condition of the wires on the pole and on the pole near CR-388 are unknown.
