IMPORTANT INFORMATION: PLEASE READ CAREFULLY

All businesses engaging in transactions within Corning’s city limits are required to have a current business license. This includes businesses from a home-based office. Business licenses are renewed annually on a fiscal year basis. (July 1<sup>st</sup> – June 30<sup>th</sup>)

The issuance of a business license represents only the fact that the licensee has paid a City of Corning business license tax per Municipal Code.

Please be advised that in addition to payment of the tax, you must also comply with all other provisions of the Corning Municipal Code, including but not limited to, building, parking, zoning and fire safety requirements. Prior to commencing business operations, the licensee should consult with the City of Corning Building and Planning Departments to determine whether the type of business to be conducted is permitted at the intended business location.
