**ARTICLE 17
SICK LEAVE**

17.1 Sick leave is available to an employee to use in case of illness, bodily injury, exposure to a contagious disease, medical or dental appointment or attendance upon seriously ill member of employee's immediate family, as defined by these rules. An employee may take paid sick leave after the first month of employment. Every effort by the employee shall be made to schedule appointments during non-work hours.

17.2 Sick leave with pay shall be granted to all employees. No sick leave shall be earned once the maximum accrual is reached.

17.3 The City agrees to pay fifty percent (50%) of Employee's unused accumulated sick leave upon retirement or death. Upon reduction in force, the City shall pay twenty-five percent (25%) of Employee's unused accumulated sick leave.

17.4 Employees who have less than thirty-six (36) days of sick leave accumulated may, in lieu of taking vacation, bank said vacation time under sick leave.

Leave shall be taken in full day increments.**

17.7 When an employee is off work as a result of a valid on-the-job injury sustained in the service of the City, the employee is entitled to use their accrued Sick Leave during the period of disability to make up the difference between their regular pay and the Workers Compensation

Temporary Disability Payments. The City shall pay only that amount necessary to make up the difference between the employee's monthly rate and the amount payable to the employee as temporary disability payments from the Worker's Compensation Insurance Plan of the City. To take advantage of this benefit, the employee must forward their Temporary disability check to the City.

17.8 The City may require verification of the necessity for sick leave. Such verification may be in the form of a written statement from a doctor or a personal affidavit from the Employee. The City reserves the right to specify which of the two verification procedures will be required in any particular situation. If the City requires verification from a physician, the City shall pay for the cost of such verification to the extent such cost is not reimburse by the Employee's health insurance.

17.9 If the City determines that an Employee has abused the provisions of the sick leave policy, the Employee shall be subject to disciplinary action.

17.10 Sick Leave Conversion Upon Retirement: In lieu of a cash-out of sick leave, an employee, upon retirement under PERS, may choose as an option to convert a percentage of the dollar value of the sick leave at the employee's current hourly base rate of pay as of the date of retirement, to pay the pre-paid health insurance premium up for a period of time up to age 65 according to the following conversion plan:

<u>Employee's years of Service with City</u>	<u>Percentage value of employee's accrued Sick Leave</u>
Through 15 years	50%
16 through 19 years	70%
20 or more years	80%

(A) Following is the procedure to account for the percentage value of converted sick leave. At the written request of the retiring employee, the City Staff will compute the dollar value of the accrued sick leave according to the percentages shown above and maintain an accounting in the employee's name deducting the amount of monthly City health insurance premium for the "balance".

(B) The value of sick leave does not accrue in a cash fund for each employee; therefore, no actual funds are held in trust. The City simply agrees to pay the retiree's premium for a period of time until the balance value of the conversion is depleted.

(C) Should a retired employee want to stop their insurance premium payments under the Section, the employee must notify the City Manager in writing, giving the date payments should end, and City Staff will do an accounting of the actual dollar amount paid out. Should this amount still be less than the fifty percent (50%) value provided for in the sick leave payoff provisions of this MOU, Section 17.3 the balance will be paid to the employee.

(D) Should a retired employee die prior to fully using this benefit, any dependents covered under the health insurance may, if permitted to continue insurance coverage by the insurance carrier, receive the continuation of this benefit until fully expended. The benefit shall have no cash value to the employee's estate, nor can the City accept any claim for payoff by heirs.

(E) Employees not choosing to remain in the City's offered health plan may use the benefits set out in these sections, to be applied to the cost of a private health plan. The retired employee will be reimbursed, on a quarter year basis, such amounts as provided in these sections, upon submission of a written claim and proof of a paid premium by the retired employee. The form, manner of claim, and proof will be as prescribed by the City.

**ARTICLE 18
UNIFORM ALLOWANCE**

18.1 The City agrees to furnish, at no cost to the Employees, necessary foul weather gear and safety items required and determined by the City. ARTICLE 20 457 DEFERRED COMPENSATION PLAN

The City will match employee's contributions to their 457 Deferred Compensation Plan up to \$60 per month. The City match is only available for one (1) Deferred Compensation Plan even if employees are enrolled in more than one (1) Plan. Employees must commit to maintain their 457 contribution for one full year.

ARTICLE 21 RETIREMENT

For Miscellaneous Employees, the City provides retirement benefits under a contract with the California Public Employees Retirement System (PERS) as follows:

21.1 The City confirms that all current PERS Tier 1 Miscellaneous Members are in the 2% at 55 Retirement Formula with single highest year salary retirement formula and:

The City and City of Corning Tier 1 Miscellaneous Members agree the total employee share of retirement costs shall be 7%.

21.2 The City confirms that all current PERS Tier II Miscellaneous Members are in the 2% at 60 Retirement Formula and:

The City and City of Corning Tier II Miscellaneous Members agree the total employee share of retirement costs shall be 7%.

21.3 Employees hired on or after January 1, 2013, who are not eligible for reciprocity or are not current CalPERS members without a break in service greater than six (6) months,

shall participate in legislatively mandated CalPERS contributions and retirement benefit formula plans established by Assembly Bill 340, the "Public Employees' Pension Reform Act of 2013". This legislation is administered/interpreted by the California Public Employees Retirement System (CalPERS). New employee members shall have the following retirement benefit formula and contribution rate:

For PERS Miscellaneous Members 2.0%@62, 3-year final compensation as defined by CalPERS. The Member contribution rate is up to 7.0%. (Currently 6.75%.)

The member contribution rate must comply with Section 7522.30 of the California Government Code. CalPERS may change this rate following actuarial review during the term of the MOU.

The City agrees that the retirement tier changes in 21.2 and 21.3 will not affect employees hired prior to January 1, 2012.

In the event the Legislature modifies the Cal PERS employee/employer contribution rates, the City and Union agree to meet within fifteen days and discuss; provided, however, that this provision shall not be considered a contract reopener; and further provided that this contract provision shall not be used by the City in any action or proceeding to interpret this contract.

ARTICLE 22 VACATION

22.1 Employees shall earn vacation according to the following:

(A) Employees shall earn vacation with pay at the rate of one hundred twenty (120) hours per year after one (1) year and during the first seven (7) years of employment;

(B) Employees shall earn vacation with pay at the rate of one hundred sixty (160) hours per year after completion of seven (7) years of City employment;

(C) Employees shall earn vacation with pay at the rate of two hundred (200) per year after fifteen (15) years of City employment;

(D) The maximum number of vacation hours employees may carry over or have in a vacation account at the start of each new calendar year is two hundred (200) hours; and

22.2 The Employee shall have the option of converting up to twenty-five (25%) of unpaid accumulated vacation to cash payment in lieu of taking vacation. The Employee may exercise the payoff option only two times (2) per fiscal year with five (5) working days' notice to payroll, or up to 50% once a fiscal year.

ARTICLE 23 PROBATION PERIOD AND EVALUATION

23.1 All Employee evaluations should be made by the Employee's immediate supervisor or the Employee's Department Head when possible. In the event the immediate supervisor or Department Head is unable to complete the evaluation, the City Manager may complete the evaluation. The City reserves the right to conduct formal evaluation summaries every six (6) months. Nothing contained herein should be construed to limit the right of the City to continually monitor and assess Employee performance and provide feedback to the Employee regarding the Employee's performance.

23.2 All new, promoted, and reclassified Employees are on probation for six (6) months. Current City Employees accepting a promotion to a higher classification retain the right to return to their former classification if the City determines they are unable to satisfy the requirements of the new classification.

23.3 Time spent in a non-paid status will not be counted towards an employee's seniority. When an employee takes unpaid leave, only the unpaid hours off work will remain uncounted toward seniority and the next step advancement.

**ARTICLE 24
LAY-OFF POLICY**

24.1 The City may lay off Employees whenever it becomes necessary because of lack of work or funds, or whenever it is deemed advisable in the interests of economy to reduce the force in a department or office.

24.2 Persons shall be laid off in the following order:

(A) All extra help, temporary and provisional Employees in the same department and within the same job classification shall be laid off before any regular Employee is laid off.

(B) When it becomes necessary to reduce the force in any department or office by lay-off of regular Employees, seniority shall be the determining factor. In the case where seniority is equal, ability shall govern.

The determination of ability shall be the exclusive responsibility of the Department Head, provided that in making such determination, consideration shall be given to skill, efficiency, knowledge, physical fitness, training and attitude toward fellow Employees.

24.3 Seniority shall be measured from the Employee's initial appointment to City service, but shall not include any period during which such Employee was on leave without pay, or not actually in City employment because of the Employee's voluntary termination, lay-off or other cause; provided that, for any Employee who is re-employed after being discharged, seniority shall be measured from the date of the most recent appointment.

24.4 The City shall send written notice by certified mail, postage prepaid, return receipt requested, and correctly addressed to the last known mailing address of the Employee as found in the Employee's personnel file. In lieu of the above, the City may serve notice by personal service. Notice of lay-off shall be made at least thirty (30) days prior to the effective date of the action.

24.5 In lieu of being laid off, a regular Employee may elect demotion and displacement in the same department to a classification previously held by said Employee with substantially the same or lower salary step and/or to a classification in which said Employee meets the minimum qualifications. Demotion and displacement rights to specify classifications shall be applicable only within the department and subject to lay-off list provisions in this Article based on seniority and ability. Employees wishing demotion and displacement in lieu of lay-off must notify the City Manager in writing of this election no later than seven (7) calendar days after receiving notice of layoff.

**ARTICLE 25
SPECIAL PROVISIONS**

25.1 The City no longer requires the Public Works Employees to maintain a Commercial Driver's License and has already stopped the practice of paying for the required Medical Physical Examinations needed for any renewals.

The City does not currently require random drug testing of employees in the Miscellaneous Bargaining Unit.

The City will maintain the right to conduct drug testing if there is a reasonable suspicion that an employee is impaired by drugs while performing his/her assignments, which it will do to ensure its worksites be "drug free" for the safety of the City's employees and the public.
