RECREATION COMMISSION MEETING

DUE TO LACK OF AGENDA

The Corning Recreation Commission serves as an advisory body to the Corning City Council on Public Parks and Recreation issues including park use, master planning, acquisition and development, beautification, improvement, and maintenance of City Parks. The Commission provides a public forum for the proposal and discussion of public recreation services that benefit the Community. Ideally the Commission would encourage community volunteers and youth/adult volunteer sports groups to work together in the planning for current and future facility and program needs.

TO: RECREATION COMMISSIONERS
FROM: CHRISTINA MEEDS
DATE: JUNE 29, 2022
SUBJECT: RECREATION UPDATE

Dear Recreation Commissioners:

The scheduled quarterly meeting for July 5th will be cancelled as we have no discretionary items to discuss.

Staff would like to provide the Commission with an update on the Promise Neighborhood Recreation Grant. At last night's City Council meeting, the Council approved the Agreement for the City to provide Independent Contractor Services to the Paskenta Band of Nomlaki Indians as it relates to the awarded United States Department of Education Grant, PR/Award No. U215B160003-16B in the amount of \$60,000. Assuming available Federal funding, it is anticipated the Agreement will again be extended for the period of Jul 1 through December 31, 2022. There is a 50% grant match requirement, which the City has met with the value of Rodgers Theatre and other costs not allowable per the grant. Beginning January 1, 2023, the City will be responsible for 100% of Program Costs. The City exceeded all programmatic goals of the grant since its inception, except for in CY 2020 where Program participation was significantly impacted due to the COVID-19 Pandemic.

CC.Y6.N.1 Youth Recreation & Enrichment Program (7/1/22 – 12/31/22, not to exceed \$60,000):

- a) Continues funding for the Corning Youth Recreation and Enrichment Program with a goal that at least 750 children/youth must participate in the program in calendar year 2022. The Paskenta Band of Nomlaki Indians understands reaching these goals could be impacted by the COVID-19 Pandemic.
- b) City will provide quarterly reports to Promise Neighborhood.

FINANCIAL:

- Contract is not to exceed \$60,000 for the term of July 1, 2022 – December 31, 2022.
- Funding contingent upon congressional appropriation and evidence of successful implementation, executing and fulfillment of local objectives.

Upgrades to City Parks:

Clark Park: New playground equipment has been installed and work continues on the Holistic Playground. The Parking Lot is scheduled in the 2022/23 Budget to be resurfaced.

Children's Park (Edith Avenue): The new playground equipment has been installed and the Park has been re-opened to the public.

Northside Park (Colusa and 6th St.): The tennis courts were resurfaced with one side remaining as tennis courts and the other as four "Pickleball Courts". The ribbon cutting for the courts was held on Wednesday June 29th.
