

**TEHAMA COUNTY
RESIDENTS:
HAS YOUR WELL OR
SPRING GONE DRY?**

There is help.

The North Valley Community Foundation, through a grant from the state, is providing free water deliveries for households in Tehama County.

Drinking water: Up to 60 gallons delivered per month.

Nonpotable water: We can provide a large outdoor tank and deliver up to 2,500 gallons of water per month.

To sign up: Go to nvcf.org/drought-relief. First file a dry well report, then fill out and return an application.

More information: Email drought@nvcf.org or call 530-230-4153.
