

DO YOU KNOW YOUR DANVERS VETERANS?

REQUESTING PHOTOS OF DANVERS VETERANS

The Town of Danvers Veterans Services Dept. and the Danvers Veterans Council are planning a virtual ceremony for Veterans Day and wish to include in the ceremony photos of veterans (living or deceased) who have had some connection to Danvers. For instance, the veteran may have been born in Danvers, raised in Danvers, a current or past resident of Danvers, lots of family residing in Danvers, etc.).

Through the courtesy of Danvers Community Access Television, the ceremony will be broadcast on local Danvers television (Channel 99 on Comcast and Channel 36 on Verizon) and their Facebook page on Veterans Day, Wednesday, November 11th, at 11 am. If you or your family member is a veteran and would like to have a photo included in the ceremony, please provide:

- Photo (or a good quality photocopy, black and white or color) in uniform or
- Photo of the veteran holding their service picture or
- Current photo if no service photo is available
