

RESIDENTIAL RATE R-1

AVAILABILITY

Service under this rate is available for all domestic purposes in individual private dwellings and in individual apartments. Incidental commercial use (not exceeding 20 percent of the total energy used) on the premises is permitted under this rate. (See Terms and Conditions)

BILLING RATES

Energy Charge

9.40 cents per kilowatt-hour for all kilowatt- hours per monthly billing period.

Minimum Charge

\$5.00 per monthly billing period.

PURCHASED POWER AND FUEL ADJUSTMENT CHARGE

As provided in the Electric Division's "Purchased Power and Fuel Adjustment Clause," applicable to all energy billed under this rate.

FARM DISCOUNT

Customers who meet the eligibility requirements for being engaged in the business of "Farming" or "agriculture" as defined in M.G.L. Chapter 128 Section 1A at their service location are eligible for an additional discount from their distribution service rates. The discount will be calculated as 10% of the Customer's total bill for service provided by the Division before application of this discount. Customers who meet the requirements of this section must provide the Electric Division with appropriate documentation demonstrating their eligibility for a discount under this provision. Such document must be provided to the Electric Division on a yearly basis.

DISCOUNT

A ten (10) percent discount will be applied to the Customer's bill if full payment is received at the Electric Division's billing office no later than fifteen (15) days from the billing date, provided that Customer's account was not in arrears at the time of the bill. Such discounts do not apply to the portion of the bill which is billed under the "purchased power and fuel adjustment charge".
