NOTICE OF PUBLIC INFORMATION MEETING

Join 5:00-6:45 PM Site Walk: The consultant team together with participants will walk through the project area to identify current land use characteristics and opportunities for new development, rehabilitation, streetscape improvements, and other potential enhancements. *Meet at Hobart St parking lot.*

Attend 7:30 PM

Listening Session: The consultant team will review the scope of work, project schedule, and goals and objectives of the re-zoning effort. Following this overview, the kick-off session will focus on identifying preliminary issues, challenges, and opportunities in the project area and those who will be most directly affected by potential changes.

The Commercial-1 (orange) and Commercial-1A (red) zoning boundaries.

For additional information please contact the Planning Department at 978-777-0001, ext. 3095
