Mr. Kay appointed Mrs. Verry as delegate to MASC/MASS. Mrs. Verry accepted the appointment and will be attend the Nov 1st-4th conference with Dr. Dana.

III. INTRODUCTION AND INFORMATION FROM THE STUDENT REPRESENTATIVE

Daisy Powers presented news and events from the seven schools. She also shared her experiences while working with DCAT over the summer and thanked the Committee for allowing her to be the Student Representative again this year.

IV. INFORMATION FROM THE SUPERINTENDENT

1. School Opening Overview — Dr. Dana gave an overview of the opening days events. She then shared a video made by the elementary principals and announced that Danvers Pride would begin at the October meeting. Survey results from opening day were shared. Dr. Dana said she has visited all 7 schools and is seeing the professional development implemented and is looking forward to the 2017-18 school year.
2. New Employee Orientation - Mr. Taverna reported on New Employee Orientation stating there were 2 orientations this year; one for the teachers and another for the aides. 15 teachers took the annual tour of

Danvers with Bill Clark this year, which is always a highlight. Both orientations were well attended. Mr. Taverna thanked the DPW and Grounds department for having the schools up and ready to go.

3. Facilities Update - Mr. Taverna gave an update on facilities and the Smith School project. He noted that 8 applicants sent in proposals for the architect position adding the Project Committee will attend a BSA meeting on October 2, 2017. The Technology Department is still fine tuning things as we move to digital curriculum. Another GB will be added to the system for optimum speed. Mr. Taverna also gave a summary of the annual safety meeting held at the end of August.
4. Summer Professional Development Overview — Mrs. Wermers gave an overview of the summer professional development days stating that she was impressed with this years' participation. On August 28th outside consultants gave presentations for the middle school math and science teachers. The consultants will return in October, January and during the spring to support the teachers that attended. 88 teachers took part in the optional professional development days at the end of the year. Those days focused on word study program, Foundation and "words their way" at the elementary level, authentic assessment, digital curriculum, rubrics and logistics and technology training for the middle school. The high school worked on Powerschool training, Peardeck, and project based learning. Mrs. Wermers answered questions from the Committee who thanked all the Curriculum Directors for providing professional development that is beneficial to the teachers.
5. NEASC Report — Mr. Colombino thanked the faculty for assisting with the NEASC process. He explained the 2 year progress report would be due in October of 2019 as well as a 5 year follow up. The next steps are to continue to implement 21st century learning skills and the introduction of Stem class, building pathways to prepare students for college, build data literacy skills and maximize common planning time for teachers. Mr. Colombino stated they are in the planning phases of creating an ELA/History course for the 2018-2019 school year. Mr. Thompson and Mr. Crane both felt this was a great report and the report should be used as a bit of a blue print. Mrs. Verry thanked everyone for all their hard work with the report.
6. Student Services Update — Mrs. Tatem along with Ms. Maroncelli gave an update on Student Services. Mrs. Tatem commented that the Special Education teachers took part in a professional development that will allow them to teach the same curriculum in an adaptive way closing the gap between typical and special education. She and her staff are excited about implementing what they have learned. She then told the Committee that this years' summer program was attended by 175 students from Pre-K through students 22 years of age with the older students working on community projects. Ms. Maroncelli, one of the co-leads for the summer school program, spoke of Kid Strong, run by Amy Weeden. Kid Strong is a program that utilizes an obstacle course that is used for occupational therapy. The students that participated seemed to really enjoy the program. Some of the other activities that took place were field trips to the movies, Stone Zoo, bowling and Boston Bounce. A therapy dog from Perfect Paw Dog Ministry was brought in. The middle school did an ice cream social and field day along with field trips. They focused on friendship, cooperation, empathy and using mindfulness. A video was shown with highlights of the summer program. The comments of the Committee were that they were impressed with the program and would like to see the continuation of community building and increased social skills. They agreed this is a wonderful program.
