TOWN CLERK DANVERS

1. **Holten Street (between Sylvan & Cherry), Peabody Ave**
2. **Donegal Lane**

Rebecca Froncki is requesting a “No Parking Here to Corner” on Donegal Lane at Locust Street. It can be challenging pulling out onto Locust from Donegal because of the angle of the street and the bushes.

3. **Hathorne & Dayton Street intersection**

James Turcotte of Hogan Regional is requesting speed limit signs on Dayton Street. Motorists speed down Dayton Street over the hill toward Hathorne Avenue causing accidents at this intersection.

4. **Mill Street**

John Kymalainen (#23) is requesting “No Parking” signs across the street from his home. The street has been paved and curbed recently, narrowing the distance between his driveway and parked car/truck across the street, making it difficult for him to pull out of his driveway.
