AMENDED
AGENDA
July 31, 2019
2:30 PM
Toomey Room, Town Hall

POSTED
JUL 24 2019
1:40pm JV
TOWN CLERK DANVERS

1. Nichols Street

Proper signage for SJP buses that are mistakenly taking Nichols Street instead of Spring Street from Route 62.

2. Prince Street (#27)

Mary Anne Fiorino is requesting options from the Committee for the safety of pulling in & out of her driveway or while her children are playing in the driveway and has witnessed four accidents since August 15, 2018.

3. Cherry Street

Replace “No Parking On This Side” signs that were removed during construction. A parking ticket was issued but appealed due to the missing signage.

4. River Street (#57)

Jonathan Penni is requesting curbing at the end of River Street in front of his home.

5. Conant & Poplar Streets

Dave Gross – conflicting yield signs at Conant & Poplar Streets

6. Maple Street

Michael Guadagno (#245 Maple) is concerned with the speeding on Maple Street. He has reached out to DPD, and they are doing nothing to resolve the issue.

7. Endicott Street (#28)

Thyda Dos is requesting a barrier on the sidewalk to prevent Market Basket carriages from being left on her property since the sidewalk ends where Appleton Street is blocked at Patriot Fence. The resident has spoken to the offender and has asked for assistance from DPD, but it continues.

8. Adopt An Island (Endicott Street)

Do adopters of Endicott Street islands require a police detail during maintenance, or can it be done during off-hours?

9. Complete Street Program, Draft Prioritization Plan

Planning and DPW have been working with Justin at BETA on developing a project list and would like to share their work with DTAC.

MISCELLANEOUS

- **DTAC Open Project List**
- **Anticipated Next Meeting – August 28th**
