

DUAL STREAM Recycling (for residents with curbside pickup)

CONTAINERS can be comingled in one bin:

- ◆ **Metal** cans, tins & foil
- ◆ **Glass** bottles & jars
- ◆ **Plastic** bottles, jars, jugs & tubs

⇒ **Empty, rinse and replace caps**

✗ **NO plastic bags allowed in recycling!**

PAPER & CARDBOARD:

- ◆ **Paper** including newspaper, magazines, paperboard, etc. may be bagged in paper, tied or put in a separate recycling bin.
- ◆ **Cardboard** must be cut, flattened to 4'x 4' and bundled to no thicker than 1'. Smaller boxes may be nested.

✗ **Styrofoam** can **NOT** go in your recycling bin.

✗ **Metal Items** and **Rigid Plastic Items** are **NOT** recyclable curbside. They may be brought to the Transfer Station for recycling (please see section on Transfer Station).

RECYCLING BINS & CARTS

- ◆ Recycling bins (\$5) & carts (\$40) can be purchased at the DPW, 95 Hobart Street with a check ONLY.
- ◆ Recycling may be put in any container marked for recycling or with a free "recycle" sticker that you can pick up at DPW Offices.

Yard Waste Pickup (for residents with curbside pickup)

- ◆ Pickup occurs approximately 12 times a year. Dates are listed in the annual DPW calendar and on the Town website.
- ◆ Place unlimited yard waste in open barrels (free "yard waste" stickers are available at several Town buildings) separated from your trash or in paper yard waste bags (no larger than 45 gallons or 50 pounds).
- ◆ Branches and twigs must be bundled & tied.
- ◆ Brush will be accepted up to 4 feet in length and not more than 4 inches in diameter.

Public Works Events

Events for Danvers' residents will be advertised on the Town website, in the DPW newsletter, on the Danvers DPW Facebook & Twitter pages, in local newspapers and on local cable.

Zero Waste Recycling Weekends

- ◆ Danvers offers two zero waste recycling weekends annually in the spring and fall where residents can recycle "outside of the bin".
- ◆ Items dropped off may include, but are not limited to textiles, household goods, electronics, metals, rigid plastics & paper to shred.
- ◆ Items are recycled for little or no cost to residents.

Household Hazardous Waste Day

- ◆ Danvers offers one Household Hazardous Waste day annually in the fall at no cost to Danvers residents. Residents may participate in programs in select communities throughout the year for a fee.
- ◆ Items collected may include, but are not limited to fertilizers, pesticides, lighter fluid, pool chemicals, art supplies, chemistry sets, photography chemicals, household cleaners, drain cleaners, moth balls, flea control products, oil based paints & stains, solvents, gasoline, antifreeze, transmission fluid, driveway sealer, roofing tar, waste oil (up to 5 gallons).
- ◆ NO LATEX PAINT! Latex Paint can be dried out and placed curbside with the cover off in an open bag or barrel. Counts toward your total trash items.

Rain Barrels & Compost Bins

The Town encourages stormwater harvesting & composting, has a rain barrel rebate and sells compost bins. Compost bins, when available, can be purchased with \$25 check ONLY at the DPW, 95 Hobart Street.

Town of Danvers Guide to Trash and Recycling

The Danvers Department of Public Works provides eligible residents with curbside trash, recycling, bulky item and yard waste pickup, access to the Transfer Station, and opportunities for special item recycling during DPW events.

Trash Limits

- ◆ Limit of 3 bags or barrels of trash per single-family home—multi-family homes (2-4 units) may put out up to 5 bags or barrels TOTAL. Anything over these limits will be left curbside.
- ◆ Multi-family homes with more than 4 units & all businesses are NOT eligible for ANY curbside pickup (trash/recycling/bulky item/yard waste).
- ◆ Recycling is **DUAL STREAM**, mandatory and unlimited. Recycling must be put out weekly in order to have your trash picked up. You must leave your recycling bin out until your trash has been collected to ensure pickup.
- ◆ No recyclables are allowed in the trash—your trash will not be picked up.
- ◆ Barrels/bags/recycling bins may not be larger than 45 gallons/50 pounds. Do not overfill—nothing over the top of barrel. Anything over these limits will be left curbside.
- ◆ All items must be curbside by 7:00 AM.
- ◆ Call the DPW at 95 Hobart Street with issues pertaining to trash, recycling, bulky item and yard waste curbside pickup.

Bulky Item Pickup

(for residents with curbside pickup)

- ◆ Stickers for Bulky item pickup must first be purchased at the Clerk's Office in Town Hall or at the Business Division at 2 Burroughs Street (cash, check or credit card). **Please call the phone number on your sticker the day before your trash day to schedule pickup.**

- ◆ Bulky items including furniture, carpet (up to 10 rolls up to 4' long), mattress/box spring, etc. may be put out for curbside collection with a \$10 sticker.

- ◆ White goods (washers, dryers, water heaters, dishwashers, etc.), gas grills without propane tank & lawn mower or snow blower with oil/gas removed may be put out for curbside collection with a \$10 sticker.

- ◆ Freon appliances (refrigerators, dehumidifiers, air conditioners) require two \$10 stickers.

- ◆ TVs and computer monitors also require two \$10 stickers when placed curbside.

Miscellaneous Items

- ◆ Toilets and tires with rims removed are picked up curbside for free. These count as one trash item each.

- ◆ Styrofoam is considered trash and can be bagged—large pieces count as one item.
- ◆ No metal items or rigid plastics will be picked up curbside. They may be brought to the Transfer Station for recycling.
- ◆ No construction or demolition material is collected curbside. Contact G. Mello Disposal in Georgetown at 978-352-8581.

Transfer Station Information

Fees & Materials Accepted:

- ◆ Residents can dispose of household trash & miscellaneous metal for \$0.10 per pound (starting January 1, 2019) at the Transfer Station. Proof of residency is required.
- ◆ Credit cards or debit cards are the only form of payment accepted.
- ◆ The following can be disposed of for a \$30 fee:
 - Televisions, Computer Monitors, Appliances, Mattresses, Furniture, Tires & Other Miscellaneous Bulky Items
- ◆ Items accepted Free of Charge include:
 - Mercury bearing products (fluorescent lights, thermostats, thermometers, etc.), button batteries, rechargeable batteries, empty propane tanks & American Flags. Alkaline batteries can go in regular trash.
- ◆ **CONDO and APARTMENT** residents without curbside pickup can bring their RECYCLING to the Transfer Station Monday—Saturday from 7:00 AM - 4:00 PM. Users must enter by 3:45 PM.
- ◆ RIGID PLASTICS may be recycled for free at the Transfer Station on Monday—Saturday from 7:00 AM - 4:00 PM. Users must enter by 3:45 PM.
- ◆ No construction & demolition materials, masonry debris, stumps, sweepings or excavated materials will be accepted.

Transfer Station Info (continued)

Yard Waste Drop Off

(For curbside yard waste pickup, please see reverse side of brochure)

- ◆ **YARD WASTE** is accepted Monday — Saturday from 7:00 AM – 4:00 PM. Users must enter by 3:45 PM.
- ◆ For brush/yard waste drop off (valid for the calendar year) you must purchase:
 - Residents or Property Owners with a passenger plate: \$15 sticker
 - Residents with commercial plate: up to four \$10 single use passes
- ◆ Sticker/pass may be purchased at the Clerk's Office in Town Hall or at the Business Division on Burroughs Street (cash, check or credit card). You must provide proof of Danvers' residency or ownership including your **driver's license and vehicle registration or tax bill, respectively.**
- ◆ Stickers are to be affixed on the driver's side of the car close to the front. Passes must be turned in to Transfer Station.
- ◆ Acceptable vehicles (one per household) shall be automobiles or pick up trucks - no dump trucks, dump trailers or dual axle trailers.
- ◆ Yard waste shall come from residence shown on driver's license and registration or tax bill.
- ◆ Absolutely no yard waste will be accepted originating from outside the Town of Danvers.
- ◆ Brush will be accepted up to 4 feet in length and not more than 18 inches in diameter.
- ◆ Brush must be separated from leaves/grass clippings.
- ◆ **Users must follow Transfer Station rules.**
