TOWN CLERK DANVERS

1. North Shore Avenue @ Adams Avenue

Discuss findings from DPD speed data reports; thickly settled (30MPH) signage

2. Liberty Street & Jersey Lane

Dawn Sweeney requesting "Residence Only Parking" signs on Jersey Lane because parents/teachers from Riverside School are parking on Jersey Lane. Liberty Street is also impassible at pickup with parents parking on both sides, even though there is no parking on one side.

3. Grove Street

Status of vehicle parking over the driveway.

4. Conant Street - Burley Road - State Street Intersection

Discuss the findings from DPD crash history reports and determine the best solution.

5. Dayton Street (near Hogan Ctr)

Jim Turcotte called again request Traffic Turning and Slippery When Wet signs on Dayton St and Hathorne Ave at or near the ridges and change of elevation areas.

6. Avon Avenue

Request for "No Parking" signs on one side of the street from Burley Street to Thorpe Circle to allow the Thorpe School traffic to flow.

7. Nichols & Summer Street Sidewalk

Resident Chris Painter requesting a sidewalk along Nichols and Spring as his children are sent from Autumn Street to 62 to catch their school bus.

8. Summer & Maple – a) Right on Red; b) backups

We have received a question from a resident unhappy about the "no right on red" off Summer onto Maple. Another asked about the length of the backups at the lights during peak hours being a safety problem.

9. Donegal Circle – Caution Children Sign

10. Mill Street

Review street width findings and discuss required parking restrictions
