TOWN CLERK DANVERS

- **FY 22 GOALS**

- **PURCHASE STREET (#62)**

Jim Houreas requesting to lower the speed limit. Overflow of parking for the building is on street, making it difficult to see speeding oncoming cars when departing the parking lot.

- **RIVERSIDE & BATES STREETS**

Jessica LeBlanc requesting “No Parking” signs during specific days/times on one side of the street because the streets are too narrow to maneuver around vehicles parked on both sides.

- **ELLIOTT & POPLAR STREET (RT 62)**

Rob Leshin requesting

- Advance markings on the street to assist drivers with choosing the proper lane to continue onto Route 62 from Elliott to Poplar Street.
- Drivers do not pay attention to the “No Turn on Red” sign at this intersection, creating a dangerous situation to pedestrians.

- **BRADSTREET & DOTY**

Lisa Stavaridis is requesting

- 4 way stop sign at this intersection
- “No Parking Here to Corner” signs on both Bradstreet and Doty Avenue

- **RIVER STREET (#15)**

Vasailiki Lagogiannis is inquiring why “No Parking Here to Corner” signs on Mill Street were installed less distance to the corner than those on River Street. The placement on River Street is not allowing any parking in front of resident’s home.

- **DTAC MAPPING**
