- **RIVER STREET (#15)**

Vasailiki Lagogiannis inquired why “No Parking Here to Corner” signs were installed less distance to the corner on Mill Street, taking parking away from his household. Mark Hannon brought the fire apparatus to the area and determined that the sign could be moved up to allow for the resident to park one vehicle.

- **BEAVER PARK**

John Capece requested “No Parking” signs on one side of the street from Maple Street to Lafayette Ave. It made it passable for two-way traffic, especially during school pick-up/drop-off hours.
