

A Community Event COVID: One Year Later

March 15 - 19

Join us for a weeklong community event to recognize the effort and sacrifices our community members have made to support each other, pay honor to those we lost, and energize our hope for the future.

COVID PANDEMIC SUPERHEROS

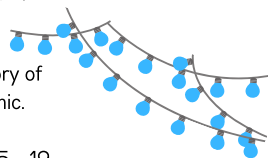

We will recognize "Superheroes", and we need to hear from the the community. If you know someone who has worked extra hard during the pandemic or someone who has given back to the community during this time, we want to know. You can even ask your kiddos if they would like to tell us about someone! Please think broadly about this; your superhero could be a parent working two jobs and homeschooling, nurses, your postal worker who always has a smile, teachers, a JRM employee, and beyond; we want to celebrate them. Please email us at COVID19@danversma.gov and tell us about your Danvers COVID Superhero by March 8 (make sure to include their name and, if possible, a photo). We will be sharing these stories in a special video presentation.

COMMUNITY ILLUMINATION

Please join us in a Community Illumination the week of March 15-19 to show support for the effort and sacrifices our community members have made to support each other, pay honor to those we lost, and energize our hope for the future.

Town Buildings will be illuminated in blue to show support, recognition, and memory of milestones that have occurred during the past year due to the COVID-19 pandemic.

You can join in by illuminating your home or business during the week of March 15 - 19.

- Change your outdoor lights to a blue bulb (the Town will be giving away 500 blue light bulbs to the community on Wednesday, March 10 from 4:00 - 6:00 PM and Friday, March 12 from 7:00 - 9:00 AM, downtown in front of Kaffmandu)
- Put up holiday lights or add a spot light to your home
- Get creative. There is no limit to how you can show your appreciation

IN MEMORY OF

No doubt the hardest moments to bear were those endured by friends and neighbors who lost loved ones in the past year. Please help us celebrate the lives of those lost to us by submitting the name and if possible a photo of a person dear to you and the date of their passing, if you choose, being mindful that what we love deeply becomes part of us and can never truly be lost. We will memorialize loved ones in a special video tribute.
