September 22, 2021

### **ROADWAY IMPROVEMENTS**

#### **River St., Mead, Kent, Short, Rodgers Rd., Reservoir Dr.**

Beginning September 29, 2021 (weather permitting). The Town of Danvers will begin making roadway improvements to the above street. The work to be accomplished includes the following:

- Brox Industries will begin milling the existing roadway surface.
- McIver Brothers will begin Handicap work once milling is completed.
- Structures will be raised, and final paving will begin.
- Vehicles will not be allowed to park along the roadway during the hours of 7:00AM and 5:00PM until this project has been completed. In the event of rain, this work will be rescheduled.

**NOTE: Traffic will be able to travel along the roadway during this procedure.**

If you have any questions regarding this project now or during construction, please do not hesitate to call my office at the above number.

Thank you for your cooperation.

Sincerely,

Chuck Farrell  
Street Supervisor
