Appendix A – PEOPLE Form	29

This Agreement entered into by the Town of Danvers, hereinafter referred to as the Employer, and American Federation of State, County and Municipal Employees, AFL-CIO, State Council 93, Local 1098, hereinafter referred to as the Union, has as its purpose the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work and other conditions of employment.

ARTICLE 1 - RECOGNITION

The employer recognizes the Union as the sole and exclusive bargaining agent for the purpose of establishing salaries, wages hours and other conditions of employment for all employees in Unit D, Certification Number MCR-2423. The accounting clerk (employee benefits) position in the Human Resources Office is excluded from the Unit D.

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or individual for the purpose of undermining the Union or changing any condition in the Agreement.

ARTICLE 2 - MANAGEMENT'S RIGHTS

Except as otherwise expressly and specifically provided in the Agreement, the Union recognizes and agrees that the supervision, management and control of the Town's business, operations, working force and facilities are exclusively vested in the management of the Town. Without limiting the generality of the foregoing, the Union recognizes and agrees that the right to plan, direct and control the Town's business, operations and working force; to hire, promote, transfer and lay off employees; and lawfully and for just and proper cause to demote, discipline, suspend or discharge employees; and the right to determine the hours, schedules and assignments of work, the work tasks, classification and standards of performance for employees is vested exclusively in the management of the Town. The foregoing shall not be taken, however, as a limitation upon the rights of the Union to represent the employees covered hereby in the grievance procedure provided in this Agreement and any other procedure dealing with employee representation rights.

ARTICLE 3 - UNION DUES

Employees who are members of the Union shall tender monthly membership dues by signing an Authorization of Dues Form, mutually satisfactory to the Employer and to the Union. During the life of this Agreement, and in accordance with the terms of such form of authorization, the Employer agrees to deduct Union membership dues levied in accordance with the constitution of the Union from the pay of each employee who executes or has executed such a form, and remit the aggregate amount to the Treasurer of the Union along with a list of employees who have had dues deducted. The Employer will make every effort to make remittance of dues on a weekly basis. Dues may be revoked by a 60-day written notification by the employee to the Employer.

The employer agrees to deduct from the wages of any employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization, which authorization may only be made and presented to the employer one time during each year of the contract. Attached hereto is a sample of the authorization form for the AFSCME PEOPLE program. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to the employer with a courtesy copy of such notice to the Union. The employer agrees to remit any deductions made pursuant to this provision at the same time it submits dues to the Union to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance. The Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and the Union agrees that it will indemnify and hold harmless the Employer from any claim, actions or proceedings by any employee arising from deductions or actions taken by the Employer under this Article. Once deductions are remitted to the Union, it is understood and agreed that their disposition thereafter shall be the sole and exclusive obligation of the Union.

ARTICLE 4 - DISCRIMINATION AND COERCION

There shall be no discrimination, coercion or intimidation exercised by the Employer, its foremen, superintendents or other agents against any employee by virtue of their participation in Union affairs and, furthermore, the Employer agrees that there shall be no discrimination against any employee for their adherence to any provision of this Agreement.

The Union, its officers or members shall not intimidate or coerce employees in exercising their legal right from joining or refraining from joining an employee organization.

The Union agrees that it will not coerce, intimidate, or discriminate against any employee covered by this Agreement performing any authorized functions of a supervisory nature.

The Union further agrees that it will not conduct its business during working hours, without the permission of the Employer.

ARTICLE 5 - GRIEVANCE PROCEDURE

A grievance is a complaint of one or more employees or the Union which may arise concerning wages, hours and conditions of employment involving the application, meaning or interpretation of this Agreement and shall be settled in the following manner, except that grievances involving disciplinary action shall be started at Step 3.

Step 1. The aggrieved employee, with or without his Union representative, shall in writing present their grievance within seven (7) days of the occurrence giving rise to the grievance, or within seven (7) days of knowledge of said occurrence, to the employee's appropriate supervisor (not a member of the bargaining unit). Such supervisor will respond in writing within five (5) full working days of the presentation of the grievance. The parties shall exert all efforts to settle the grievance at this step. Failure to respond within the time limit shall be understood to be a denial of the grievance and said grievance may be taken to the next step.

Step 2. If the grievance is not settled, it shall be presented in writing to the Department Head within three (3) full working days after the supervisor's response is received, or within three (3) full working days after the expiration of the time limit for Step 1, if no response is

received. The Department Head shall have the option of responding to the representative of the Union within five (5) full working days of the receipt of the grievance documents, or they or their designee shall convene a hearing as soon thereafter as is practicable to resolve the grievance, but such hearing shall not be convened more than ten (10) full working days after the receipt of said documents. Upon the conclusion of the hearing, the Department Head or their designee shall transmit to the representative of the Union their decision in writing within fifteen (15) full working days. Failure to respond within the time limits shall be understood to be a denial of the grievance, and said grievance may be taken to the next step.

Step 3. If the grievance is not settled, it may be presented in writing to the Town Manager within three (3) full working days after the Department Head's response is received, or within three (3) full working days after the expiration of the time limit of Step 2, if no response is received. The Town Manager shall have the option of responding to the representative of the Union within five (5) full working days of the receipt of the grievance documents, or they or their designee shall convene a hearing as soon thereafter as is practicable to resolve the grievance, but such hearing shall not be convened more than twenty-one (21) full working days after the receipt of said documents. On the conclusion of the hearing the Town Manager or their designee shall transmit to the representative of the Union his decision in writing within fifteen (15) full working days. Failure to respond within the time limit(s) shall be understood to be denial of the grievance and said grievance may be taken to the next step.

It is mutually agreed that in the interpretation of the provisions herein relating to Steps 1, 2 and 3:

- a. The word "respond" shall mean to make a meaningful reply, rather than to make a definitive decision.
- b. The time of absence of any of the parties from their normal duty shall be added to any of the time limitations set forth.
- c. The words "Union Representative" or "Representative of the Union" shall mean the President of the Union, or their designee.

Step 4. Any grievance which remains unsettled after having been fully processed pursuant to the provisions of Steps 1, 2 and 3, and which involves either:

- a. the interpretation or application of a provision of this Agreement, or
- b. a disciplinary penalty (including discharge) imposed on or after the effective date of this Agreement, which is alleged to have been imposed without just cause, shall be subject to arbitration within fifteen (15) full working days after the reply of the Town Manager.

The arbitration proceeding shall be conducted by a person qualified in labor relations to be selected by the Employer and the Union within ten (10) days after notice has been given. If the parties fail to select an arbitrator, the State Board of Conciliation and Arbitration shall be requested by either or both parties to provide a panel of five (5) qualified persons. Both the Employer and the Union shall have the right to strike two (2) names from the panel. The party requesting arbitration shall strike one name, the other party shall then strike one name. The process will be repeated, and the remaining person shall be the arbitrator.

However, if the parties mutually agree in writing after Step 3 of the grievance procedure, to submit the grievance to the Labor Relations Connection, said grievance shall be submitted to that association in accordance with the Labor Arbitration rules of that association.

The award of an arbitrator so selected upon any grievance subject to arbitration as herein provided shall be final and binding upon all parties to this agreement, provided that no arbitrator shall have any authority or jurisdiction to add to, detract from, in any way alter the provisions of this Agreement, or determine the arbitrability of any issue. The expenses of their services shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses.

ARTICLE 6 - SENIORITY

Each current employee shall retain their existing seniority, Town-wide and Unit D seniority, subject to the explicit amendments herein relating to such employee seniority in Article 13, Vacations, and Article 12, Holidays, Day after Thanksgiving. If an employee leaves the employ of the Town and

returns within a year to a position covered by this Agreement, the employee shall recoup their accrued seniority, Town-wide and Unit D, although the employee shall not earn seniority during the period of non-employment.

ARTICLE 7 - PROCEDURE FOR FILLING A VACANCY

When the Employer elects to fill a vacancy in a position covered by this Agreement, such vacancy shall be posted in a conspicuous place and shall remain posted for at least seven (7) consecutive workdays. Posting of the vacancy and interviewing of the applicants shall in no way require the employer to fill the vacancy. The posting of vacancies shall contain a statement of pay rates established for the position, class title, general description of assignment, and prospective date of employment. Employees interested shall apply, in writing, within such seven (7) days.

To the extent that the position may be filled from within the Unit, the Employer may consider as the governing criteria, in light of the Department's needs, the Employee's demonstrated performance, capability to perform well in the new position, qualifications for the vacant position, education, length of service, scope and degree of experience and the employee's technical skills and shall have the sole discretion in determining the weight to be given for each criterion.

Where employees are considered equal in meeting all of the criteria (apart from length of service), then length of service shall govern the Employer's selection. The appointment of an employee from within the Unit or from within the Town employ shall be subject to the grievance procedure by employees who applied from within the Unit but were not appointed.

However, it is mutually agreed that:

- a. If no employee-applicant is sufficiently qualified to fill the position in the judgment of the Employer, the Employer may fill the position from without the bargaining unit. If the Town intends to fill a vacancy from without the Unit, it will so notify the Union President in advance of the appointment and meet to discuss the decision. The exercise of this right of determination by the Employer shall not be subject to grievance.

- b. Nothing in this article shall be construed as limiting, altering, or in any way modifying any of the provisions of Chapter 13 of the Acts of 1949 (Danvers Town Manager Act).

ARTICLE 8 - HOURS OF WORK FOR UNIT D

Except as otherwise provided in this Agreement the regular hours of work each day shall be consecutive, except for interruption for meal periods.

Except for employees in continued emergency or part-time operations, employees shall work thirty-five (35) hours per week as scheduled by the Department Head. Provided the Town posts the employee's work schedule two (2) weeks in advance. Employee(s) in a single, full-time employee office shall work an average of thirty-five (35) hours per week, as scheduled by the Department Head where the attached schedule is not feasible for departmental operations. For clarification: all paid time off will accrue and be used based on a 35-hour schedule and time off shall be used based on work hours of the day off (ex. Mon-Wed = 7 hours; Thursday = 10 hours; Friday – 4 hours); balances on 6/30/2020 will remain unchanged.

Each employee shall be scheduled to work a shift with regular starting and quitting times. Except for emergency situations or operational needs of the department as determined by the department head, normal work scheduled shall not be changed unless the Union is notified at least ten (10) working days in advance. Special work weeks and special work schedules, and shift schedules, not conforming to the provisions of this Article, will not be established unless the Union is notified ten (10) working days in advance.

ARTICLE 9 - OVERTIME

All work performed in excess forty (40) hours in one (1) week shall be paid for at the rate of one and one-half the employee's regular rate. With the approval of the Department Head, an employee may take compensatory time off in lieu of overtime pay at the rate of one and one-half hours off for each hour worked. Such compensatory time off shall be taken at a time mutually agreed to by the employee and their Department Head. Compensatory time must be taken within one (1) month of the overtime worked, unless expressly authorized to the contrary by the Department Head.

Overtime will not be paid for less than eight (8) hours in one day. It is understood that there will be no pyramiding of overtime. Pyramiding refers to the combination of daily and weekly overtime payments. It is mutually agreed overtime will not be paid for the same hours more than once. Overtime must be approved prior to its occurrence by the Department Head. An employee working greater than 8 hours in a workday shall be paid at time and one-half. Employees who work five 8-hour days will not be paid overtime until greater than 40 hours.

Excluding call-back, call-in or holdover, should any employee(s) be assigned in advance to work planned overtime, the employee(s) shall be guaranteed a minimum of four (4) hours pay at time and one-half their regular hourly rate, provided the employee works the planned overtime and works during said work week more than 35 regular hours, including and limited to vacation leave, sick leave, personal leave and funeral leave taken by an employee. For the purposes of this section, the term planned overtime shall mean any overtime when at least one working day notice is provided.

ARTICLE 10 - UNION REPRESENTATIVES

A written list of Union representatives shall be furnished to the Employer immediately after their designation, and the Union shall promptly notify the Employer in writing of any changes.

The Union President or their designee shall be allowed to investigate and settle grievances between the hours of 1 p.m. and 4 p.m. on Thursday afternoons, after making arrangements with their immediate Division Head, and the Department Head where the grievant is employed, and after receiving approval. Such approval shall not be summarily or arbitrarily withheld by the Town. This restriction does not apply to disciplinary actions involving suspension or dismissal. Upon return to their normal place of work, such representative shall notify their immediate Division (Department) Head from whom approval was granted, if such Division (Department) Head is then available, otherwise the representative shall notify their immediate supervisor of their return.

During collective bargaining sessions conducted during the normal workday the Union shall have no more than two (2) Union members plus the President of the Unit or their designee.

The Employer agrees to permit a representative(s) of the American Federation of State, County and Municipal Employees, AFL-CIO, to enter the premises only for investigating or processing grievances or normal servicing, provided that such representative(s) do/does not interfere with the performance of the work group, and provided that the executive officer in charge of the activity is first contacted by such representative(s).

No Town employee may conduct Union business during working hours.

ARTICLE 11 - MEAL PERIODS

All employees shall be granted a meal period of one (1) hour's duration Monday - Thursday. When an employee works four (4) hours or more beyond their regular shift, the employee shall be granted time off to eat, but not to exceed thirty (30) minutes, with pay.

During emergency operations, or the periodic additional peak workload operational demands or when understaffed, this meal period shall be taken when practicable.

Should an employee covered by this Agreement, because of excessive work load, state, federal or local elections, understaffing and like emergency need, be assigned to, or called back, called in or held over, the employee shall be entitled to receive a meal reimbursement allowance of \$5.75 for each five (5) hour period worked consecutively prior to the commencement of their regular starting time or such period(s) worked after the employee's regular quitting time. Employees shall not be entitled to receive more than one \$5.75 reimbursement for any such five (5) hour period so worked, but in no event shall it exceed three such reimbursements in any twenty-four (24) hour period.

If an employee is assigned to, held over or called back to such work on a holiday, Saturday or Sunday, or their non-regularly scheduled workday, then the employee shall receive a meal reimbursement allowance of \$5.75 for the initial consecutive eight hours of work and an additional meal reimbursement of \$5.75 for subsequent consecutive five (5) hour work periods, but in no event shall such reimbursement exceed three such reimbursements in any twenty-four (24) hour period.

ARTICLE 12 - REST PERIODS

All employees' work schedules shall provide for a fifteen (15) minute rest period during the morning shift. Employees during their rest period will remain in the building where they are working or will remain on the building site where they are working.

ARTICLE 13 - HOLIDAYS

The following thirteen (13) days shall be considered to be paid holidays:

New Year's Day	Labor Day
Martin Luther King Jr. Day	Columbus Day
Presidents' Day	Veterans' Day
Patriots' Day	Thanksgiving Day
Memorial Day	Christmas Eve
Juneteenth	Christmas Day
Independence Day	

Should any holiday fall on an employee's normal day off, the working day immediately preceding or succeeding the holiday, but during the same pay week, will be considered to be the holiday.

On the day after Thanksgiving, the Town agrees to establish a skeletal crew as determined by each Department Head. For those required to work the skeletal crew, straight time compensatory time off, based on actual hours worked, at a later date will be provided as scheduled by the Department Head. The determination of seniority to establish a skeleton crew as determined by each Department Head shall be determined by seniority in Unit D, not Town-wide seniority.

If Christmas Day falls on Saturday, Sunday or Monday, then Christmas Eve will be recognized on Friday and Christmas Day on Monday.

If a paid holiday occurs within an employee's vacation period, the day of the holiday shall not be charged against accrued vacation, and they shall be paid for the holiday.

ARTICLE 14 - LEAVE PERTAINING TO VACATION, SICK TIME & EMERGENCIES

Inherent in this Agreement shall be the Town of Danvers Personnel Policy with reference to leave of all kinds and is intended to include the following:

As of July 1, 2020, all leave accruals will be based on 35 hours (2 weeks of vacation = 70 hours; Sick leave of 105 hours (15 “days” x 7 hours) credited January 1st; personal leave = 21 hours per calendar year), employees who work less than 35 hours per week will have accruals pro-rated. Any banked accrued time balance will remain and will not be adjusted.

1. Vacation Accrual

Accumulation: Vacation leave is credited annually to qualified employees based on the schedule below. A permanent part-time employee who works a regular schedule of twenty (20) hours of more per week is entitled to a pro-rated, full-time vacation benefit based on the employee's scheduled hours. An employee who has qualified for vacation benefits but is currently working less that regular schedule of twenty (20) hours per week will be entitled to the benefits accrued:

During Calendar Year of:	Vacation Leave Entitlement
Upon hire (to be used after completion of 6-month probationary period)	6 hours per full month of service

10 - 19 years of employment	140 hours
20 years of employment	175 hours

Newly hired employees: In recognition of prior municipal service, the Town may credit newly hired employees with vacation leave that aligns with their prior years of service in accordance with the chart above. In no case shall a newly hired employee earn more than 175 hours of vacation leave annually. During the first year of employment, vacation lave shall be pro-rated based on start date.

Any employee who is injured and out of work on worker's compensation, or who is on sick leave, who is confined to their home by a physician or hospitalized and continues disabled through December 31, so that their annual vacation time cannot be used, shall not lose

such vacation time; however, they shall take the same as soon as possible after the first of the next year, after making arrangements with the Department Head so as not to interfere with department operations and manning.

a. Vacation Carry Over

An employee shall be entitled to carry over up to thirty-five (35) hours of calendar-year vacation leave into the next calendar year, but such shall not be further cumulative. With the approval of the Department Head, a written request for such carry-over vacation time shall be provided, subject to scheduling and staffing needs and provided such vacation time will not require or result in overtime. Such carry-over vacation time shall not interfere with any other employee's right to utilize their first seventy (70) hours of vacation leave. The Department Head, in the exercise of their judgment, shall not act unreasonably.

The vacation leave utilization of employees shall be based on a rotating schedule. Seniority status to determine eligibility for vacation leave shall be based on the employee's Town-wide seniority, with the seniority of employees in Unit D utilized to determine vacation leave for employees for calendar year 1995 and every alternate year thereafter. A newly hired or transferred employee's continuous length of service in Unit D shall determine their vacation seniority eligibility.

b. Vacation Scheduling

The Department Head shall approve the scheduling of an employee's vacation benefit, taking into consideration the work schedule and needs of the department, the request of the employee and the requests of other employees.

An employee shall submit a request for vacation leave, to their division supervisor, at least ten (10) working days prior to anticipated leave, however, additional notification is preferred. The division supervisor shall approve the vacation request, taking into consideration the work schedule and needs of the vision, the request of the employee and the requests of other employees.

With the approval of the Department Head or Supervisor, and upon forty-eight (48) hours' notice, the employee's request for single vacation days or dates less than one week may be granted. When there is a conflict between such vacation request by two or more employees, such employee with the greater seniority shall prevail in the choice of the vacation period.

Employees covered by this Agreement shall be entitled to utilize vacation leave in periods of a minimum of two (2) hours of work, but an employee may use, thirty (30) minute increments thereafter, i.e., 2.5, 3, 3.5, 4, 4.5 hours, etc.,

Subject to, and otherwise in conformity with, the Town Personnel Policy and practice: "vacation accrual is based upon the calendar year from January to December and vacation time accrued in one calendar year must be taken within the next calendar year."

A permanent employee who is laid off, resigns, or retires from the Town employment shall be entitled to receive payment for all unused vacation benefits as accrued.

2. Sick Leave

Hire after June 17, 1997	105 hours	1,295 hours

Subject to the above provisions to the extent applicable, permanent part time employees will accrue sick leave benefits on a pro rata basis.

Employees who leave work due to illness will continue to be charged with a minimum thirty (30) minutes of work, and then hour-for-hour based on thirty (30) minute intervals. ; i.e., 1.0 hour, 1.5 hours, 2 hours, 2.5 hours, 3 hours 3.5 hours, 4 hours.

a. Use of Sick Leave

b. Sick Leave Abuse

The Town and the Union agree that the sick leave benefit afforded the employee should not be misused or abused. Sick leave misuse or abuse directly impacts on employee productivity and the effectiveness of the Town's Unit D operations. An employee's misuse or abuse of sick leave is grounds for disciplinary action. Excessive use of sick leave directly impacts on employee productivity and the effectiveness' of the Town's Unit D operations. An employee's excessive use of sick leave is grounds for employer disciplinary action or administrative action, including termination.

Sick time cannot be used as an excuse to be late for work without advanced notice of proper use. Use of sick time for other purposes is not allowed and may result in an employee discipline. It is the expectation that employees must notify their managers or supervisors before they use sick time, except in an emergency. If any employee is out of work for three (3) consecutive days or uses sick time within two (2) weeks prior to leaving a job with the Town on Danvers, we reserve the right to require documentation from a medical provider.

The Town's procedure of monitoring and meeting with employees in a calendar year where the employee's sick leave reaches five (5) days, whether consecutive or not, will continue to be employed. The Town may or may not wish to interview an employee where the Town is aware of certain injuries sustained, serious illness, hospitalization, etc., of the employee.

The Town will continue to interview employees during their work hours, and reasonable notice will be given the employee of the impending interview. During the interview, the employee will continue to be entitled to a Union representative if they so request.

The Town will carry out its standard of reviewing such employee's sick leave utilization in an equitable and non-discriminatory manner.

The Town continues to reserve its inherent rights in the investigation/review of an employee's sick leave; e.g., misuse, abuse or excessive use, including its rights consistent with the current collective bargaining Agreement.

c. Sick Leave at Separation

With a minimum of four (4) months' notice for retirement or one (1) months' notice for resignation, or death, employees with more than fifteen (15) years of service will be compensated \$50 for each day (7 hours) of accrued sick leave, up to a maximum of 100 days (700 hours), or \$5,000.

3. Parental Leave

If an employee provides to the Town satisfactory medical evidence and a doctor's certificate of disability attributed to maternity or paternity, then the employee shall be entitled to utilize their sick leave benefits concurrently with the Family Medical Leave Act (FMLA), if eligible. The Town does not waive its right to contest the sufficiency of the medical evidence submitted as is the practice in any sickness situation. Parental Leave without pay shall be granted for a period of up to twelve (12) weeks after delivery as covered through FMLA, if eligible, or up to eight (8) weeks after delivery through the Massachusetts Parental Leave Act, if eligible.

4. Doctor's Certificate

If an employee is out of work for sickness for three (3) consecutive workdays, then such employee, prior to the employee's return to work, shall/will be required to submit a doctor's certificate, which certificate shall state in detail the type of illness, the treatment and certifying that the employee is then able to fully perform their work duties. The Town, in its discretion, may waive this requirement in any given case.

5. Bereavement Leave

Each employee shall be entitled, in connection with a death in the immediate family, twenty-eight (28) hours paid bereavement leave, plus seven (7) additional paid hours if unusual travel conditions exist. Immediate family includes, spouse, children, parents, siblings, grandparents, grandchildren, parents-in-law, stepparents, stepchildren, or a person residing within the employee's household (including foster children) at the time of the death.

Employees are required to provide their Department Head forty-eight (48) hours in advance notice of leave. The Department Head shall not be unreasonable in reaching a decision, and will take the minimal staffing needs of the division into consideration when reaching a decision. Personal time shall not be charged against sick leave. This 48-hour notice shall be waived in the event of an emergency, but the employee shall notify or cause the Department Head to be notified as soon as possible of the taking personal leave. Personal leave be charged at a minimum of one (1) hour, then thirty (30) minute increments.

7. Leaves of Absences

a. Personal Illness

Upon written request, with a letter from the employee's physician setting out the nature of the disability with accompanying medical reasons, the treatment and estimated time for recovery and certification that the employee is disabled and unable to work, a leave of absence without pay shall be granted the employee for personal illness after the

employee's accumulated sick time has been exhausted. The leave of absence for personal illness will not exceed a one-year period. The Town will return the employee to the employee's former position if it is feasible to do so, and upon certification by the employee's physician thereafter that the employee is physically and mentally able to return and fully perform their workload and responsibilities.

If this is not feasible, the employee will be placed in a position at the same rate of pay and on the same shift as determined by the Department Manager. The employee will be given the first opportunity to return to a position for which they are fully qualified, and will, provided they are fully qualified, be given the first opportunity to return to their former position, if and when the position is open.

b. Industrial Accident

An absence because of an industrial accident will be governed by General Law C. 152. It is agreed that an employee who is receiving worker's compensation who has accumulated sick leave or vacation shall be allowed to supplement the workers' compensation monies with sick leave or vacation leave to the extent required to provide the employee with the difference between their worker's compensation and the employee's regular base weekly rate.

An employee who is called for summer military service or National Guard training shall be paid the difference between the employee's regular earnings and military pay.

d. Educational

The Town may allow a leave of absence without pay up to twelve (12) months for educational purposes. The Town will return the employee to the employee's former

position if it is feasible to do so. If this is not feasible, the employee will be placed in a position at the same rate of pay and on the same shift as determined by the Department Manager. The employee will be given the first opportunity to return to a position for which the employee is fully qualified and will be given the first opportunity to return to the employee's former position, provided they are fully qualified, if and when the position is open.

e. Other Leaves of Absence

Leaves of absences without pay for reasons other than the above may be granted for good and sufficient cause within the present Town policy on leaves of absences provided such written request is provided with sufficient time for the Town to investigate and determine good and sufficient cause. Upon certification by the employee's physician that the employee is physically and mentally able to return and fully perform their workload and responsibilities, the employee will return. The Town will return the employee to the employee's former position if it is feasible to do so. If this is not feasible, the employee will be placed in a position at the same rate of pay and on the same shift as determined by the Division Manager. The employee will be given the first opportunity to return to a position for which the employee is fully qualified and will be given the first opportunity to return to the employee's former position, provided that they are fully qualified, if and when the position is open and upon certification by the employee's physician that they are physically and mentally able to return and fully perform their workload and responsibilities.
