Income Eligibility Certificate
Self-Certification Form of Income Eligibility
for Full Incentive Energy Efficiency Services

This statement is made to verify my household income. The Public Utility Commission of Texas has authorized energy efficiency programs to reduce the electric usage of income eligible households.

Name:			
Street Address:			Apartment Number
City:		State TX	Zipcode
Area Code	Phone Number	Number of Persons in Household	

Step 1. Fill out the Income Calculation Worksheet. To Accurately determine your household income you must include income of all persons residing in your home from all sources. To determine the amount in each category enter the amount(s) on the check or benefit statement.

- Wages from full or part-time employment as shown on paystub or W-2 form
- Unemployment or Worker's Compensation
- Social Security
- Retirement Income
- Child Support and/or Alimony
- All other earnings

TOTAL HOUSEHOLD INCOME

(Add the amount entered on each line to figure your total household income.)

Amount per week / month / year (circle one)

Step 2. Compare your total household income per week, month or year to the amount shown in the table below for the number of persons in your household. If your total household income is equal or less than the amount shown in the table you are income eligible.

Household Size	Annual Income	Monthly Income	Weekly Income
1	\$23,760	\$1,980	\$495
2	\$32,040	\$2,670	\$668
3	\$40,320	\$3,360	\$840
4	\$48,600	\$4,050	\$1,013
