October 13, 2023

Texas Department of Agriculture  
Office of Rural Affairs  
Environmental Officer  
P.O. Box 12847  
Austin, Texas 78711

**Project Name:** De Leon-CDM22-0045-EA-DRP  
**State/Local Identifier:** CDM22-0045

Dear Sirs,

It has come to our attention that the following HAZMAT facilities/areas were identified within close proximity of the project area:

- One (1) CERCLIS NFRAP Site within ½ mile of the project site.
- One (1) Solid Waste Disposal/Municipal Solid Waste Non-Permitted MSWNP within ½ mile of the project site.
- Three (3) LPST within ½ mile of the project site.
- Five (5) PST on property and adjoining properties.
- One (1) VCP within ½ mile of the project site

The City considered the necessity to have a ASTM Phase I Environmental Soil Analysis completed and rejected the idea for the following reasons:

*125 S Texas Street*  
*P O Box 318*  
*De Leon, Texas 76444*  
*Ph: 254-893-2065 or Fax: 254-893-3254*  
*E-mail: [questions@cityofdeleon.org](mailto:questions@cityofdeleon.org)*  
*Website: [www.cityofdeleon.org](http://www.cityofdeleon.org)*

*Mayor:*  
*Jan Grisham*  
*City Secretary:*  
*Melenda K. Harbour*  
*City Administrator*  
*David Denman*

*Council Member: Emma Gonzales*

*Council Member: Trudy Spears*

*Council Member: Laura Brown*

*Council Member: Diana Klepac*  
*Mayor Pro-Tem*

*Council Member: Lisa Amick*

***“Busiest Town ~ Friendliest People”***

---

- CERCLIS NFRAP Site was not listed on NPL and archived. No contaminants found on site.
  - MSWNP was a complaint but cleared as no evidence found.
  - All of the LPST are listed as “inactive” by the TCEQ.
  - All of the PST are listed as “inactive” and removed by the TCEQ.
- 
- There were no signs of contamination of the project area during an on-site review.
  - All work will occur above the water line.
  - The project does not involve a habitable structure.

Should you have any questions, please let me know.

David Denman, City Administrator
