The coverage required in this paragraph shall provide at least as much coverage as that provided by ISO form CG 00 01 12 07 or any updated form thereof.

(4) Professional Liability Coverage. Consultant shall maintain professional errors and omissions liability insurance for protection against claims alleging negligent acts, errors or omissions which may arise from Consultant's Services, whether such Services are performed by Consultant or by its employees, subConsultants, or sub-consultants, to the extent such persons other than Consultant are permitted to perform any of the Services under this Agreement. (2) This policy shall be considered primary insurance as respects the City, its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have shall be considered excess insurance only and shall not contribute with it.

(3) This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

(4) The insurer waives all rights of subrogation against the City, its elected or appointed officials, officers, employees or agents.

(5) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents or volunteers.

d. Certificates of Insurance. , Consultant shall provide certificates of insurance with original endorsements to the City as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the City on or before commencement of performance of this Agreement.
