

REQUEST FOR PROPOSALS

The City of Desert Hot Springs requests proposals from qualified professional engineering consultants to prepare a **Citywide Traffic Survey for Speed Limits**.

Services Requested:

Services and products to be rendered in performing all work associated with traffic speed surveys may include, but may not be limited to:

- A. Obtain speed data for each street segment identified in the previous 2018 Speed Survey, and extend all major arterials to end of current City Limits (map attached), and any other additional segments that may be pertinent to the study.
- B. Perform analysis of the speed data to determine the 85th percentile speed, pace speed, and average speed.
- C. Review traffic collision data.
- D. Review roadway conditions for conditions not readily apparent to the driver.
- E. Review existing speed limits, compare with new traffic data and recommend any necessary changes to the existing speed limits.
- F. Provide report of finding and recommendations.
- G. Consultant coordination will include an appropriate number of meetings with City staff. The consultant will be required to attend a City Council meeting in order to answer questions about the study.

Proposal Format:

Cover Letter, Company Portfolio, Similar Project History, Scope of Work, Work Schedule, Fee Proposal, and Schedule of Fees.

Please submit your proposal via email with subject **Traffic Survey for Speed Limits** to Nicholas Haecker, Public Works Director, at nhaecker@cityofdhs.org by 2:00 PM, Thursday, August 29, 2024.

If you have any questions regarding this Request For Proposal, please contact Nicholas Haecker at (760) 329-6411 ext. 223 or nhaecker@cityofdhs.org.
