Background:

SB 1383 requires that by 2025 California will recover 20 percent of edible food that would otherwise be sent to landfills, to feed people.

On June 1, 2023, the City of Desert Hot Springs was awarded a grant from the SB1383 Local Assistance Grant Program in the amount of \$92,533.00 with a grant term deadline of April 2, 2026.

The hold harmless, indemnification and duty to defend provisions of this Section shall apply regardless of whether or not said insurance policies are determined to be applicable to the claim, demand, action, damage, liability, loss, cost or expense described herein.

c. Notwithstanding the provisions of subsections a. and b. of this section, Contractor shall not be responsible for damages or be in default or deemed to be in default by reason of delay caused by strikes, lockouts, accidents, or acts of God, or the failure of the City to furnish timely information or to approve or disapprove Contractor's work promptly, or by reason of delay or faulty performance by the City, construction Contractors, or governmental agencies, or by reason of any other delays beyond Contractor's control, or for which Contractor is without fault.

Section 18. **INSURANCE REQUIREMENTS**

a. Policies. Contractor, at Contractor's sole cost and expense, shall procure and maintain, for the duration of this Agreement, the following insurance policies:

(1) Worker's Compensation Coverage. Contractor shall maintain Worker's Compensation Insurance and Employers' Liability Insurance for its employees in accordance with the laws of the State of California, of an amount not less than one million dollars (\$1,000,000) per accident and for Employers' Liability Insurance in amounts not less than \$1,000,000 each accident for bodily injury by accident, \$1,000,000 policy limit for bodily injury by disease, and \$1,000,000 each employee for bodily injury by disease. In addition, Contractor shall require each subcontractor to similarly maintain Worker's Compensation Insurance and Employers' Liability Insurance in accordance with the laws of the State of California for all of the subcontractor's employees. If any class of employees employed by Contractor pursuant to this Agreement is not protected by the California State Worker's Compensation Law, Contractor shall provide adequate insurance for the protection of such employees to the satisfaction of the City. This provision shall not apply if Contractor has no employees performing work under this Agreement. Contractor agrees to waive its statutory immunity under any worker's compensation or similar statute, as respecting the City, and to require any and all subcontractors and any other person or entity involved in the Services to do the same.

(2) General Liability Coverage. Contractor shall maintain commercial general liability insurance in an amount not less than two million dollars (\$2,000,000) per occurrence, combined single limit coverage for bodily injury, personal injury and property damage associated with work contemplated in this Agreement. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Contractor shall provide insurance on an occurrence, not claims-made basis. Contractor acknowledges and agrees that, for purposes of clarification with the intention of avoiding gaps in coverage with any umbrella or excess coverage, personal and advertising injury coverage shall be triggered by an "offense" while bodily injury and property damage coverage shall be triggered by an "occurrence" during the policy period. The coverage required in this paragraph shall provide at least as much coverage as that provided by ISO form CG 00 01 12 07 or any updated form thereof.

(3) Automobile Liability Coverage. Contractor shall maintain commercial automobile liability insurance covering bodily injury, personal injury and property damage for all activities of the Contractor arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired and non-owned vehicles, in an amount of not less than one million dollars (\$1,000,000) combined single limit for each occurrence, and two million dollars (\$2,000,000) in the aggregate. As an alternative, Contractor shall be permitted to obtain a non-owned automobile endorsement to its comprehensive general liability insurance providing the same protection and coverage as though Contractor were to provide separate commercial vehicle liability insurance as set forth in this paragraph. The coverage required in this

paragraph shall provide at least as much coverage as that provided by ISO form CA 00 01 or any updated form thereof.

(4) Professional Liability Coverage. Contractor shall maintain professional errors and omissions liability insurance for protection against claims alleging negligent acts, errors or omissions which may arise from Contractor's Services, whether such Services are performed by Contractor or by its employees, subcontractors, or sub-Contractors, to the extent such persons other than Contractor are permitted to perform any of the Services under this Agreement. The amount of this insurance shall not be less than one million dollars (\$1,000,000) per claim, and two million dollars (\$2,000,000) in the aggregate.

b. Endorsements. Unless otherwise specified hereunder, each insurance policy required herein shall be with insurers possessing an A.M. Best's rating of no less than A:VII and shall be endorsed with the following specific language:

(1) Except as otherwise provided by law, the City, its elected or appointed officers, employees, agents and volunteers are to be covered as additional insureds with respect to liability arising out of work performed by or on behalf of the Contractor, including materials, parts or equipment furnished in connection with such work or operations.

(2) This policy shall be considered primary insurance as respects the City, its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have shall be considered excess insurance only and shall not contribute with it.

(3) This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

(4) The insurer waives all rights of subrogation against the City, its elected or appointed officials, officers, employees or agents.

(5) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents or volunteers.

(6) The insurance provided by this policy shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days written notice has been received by the City.

c. Deductibles and Self-Insured Retentions. Contractor shall disclose to and obtain the approval of City for any self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement. During

the period covered by this Agreement, only upon the prior express written authorization of the City Manager, Contractor may either reduce or eliminate such deductibles or self-insured retentions with respect to City, its officers, employees, agents, and volunteers. The City Manager may condition approval of any reduction or elimination in deductible or self-insured retention levels with a requirement that Contractor procure a bond, guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to each of them.

d. Certificates of Insurance. Contractor shall provide certificates of insurance with original endorsements to the City as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the City on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the City at all times during the term of this Agreement.

e. Imposition of Insurance Requirements. Provided the City gives its written consent for any persons other than Contractor to perform any part of the Services, Contractor agrees to require that all parties, including but not limited to subcontractors, architects, engineers or others with whom Contractor enters into contracts or whom Contractor hires or retains pursuant to or in any way related to the performance of this Agreement, provide the insurance coverage required herein, at minimum, and name as additional insureds the parties to this Agreement consistent with Section 18b(1) hereof. Contractor agrees to monitor and review all such coverage and assumes all responsibility for ensuring that coverage is provided in conformity with the requirements of this Section.

f. Maintain Coverages. In the event this Agreement is terminated for any reason prior to the completion of all obligations and requirements of this Agreement, Contractor agrees to maintain all coverages required herein until the City provides written authorization to terminate the coverages following the City's review and determination that all liability posed under this Agreement has been eliminated.

g. Failure to Obtain Coverages. Contractor agrees and acknowledges that if it fails to obtain all of the insurance required in this Agreement in accordance with the requirements herein, or to obtain and ensure that the coverage required herein is maintained by it or any subcontractors or others involved in any way with the performance of Services, to the extent such is permissible under this Agreement, Contractor shall be responsible for any losses, claims, suits, damages, defense obligations, or liability of any kind or nature attributable to the City or its officers, employees, servants, volunteers, agents and independent Contractors.

h. Notice of Cancellation or Reduction in Coverage. In the event that any coverage required in this Agreement is canceled, reduced, limited, or materially affected in any other manner, Contractor shall provide written notice to the City either by facsimile and/or via certified mail, at Contractor's earliest possible opportunity and in no case later than fifteen (15) calendar days after Contractor is notified of the change in coverage.

Section 19. **NOTICES**

a. Any notice to be provided pursuant to this Agreement shall be in writing, and all such notices shall be delivered by personal service or by deposit in the United States mail, certified or registered, return receipt requested, with postage prepaid, and addressed to the parties as follows:

b. The party which may claim that a default has occurred shall give written notice of default to the party in default, specifying the alleged default. Delay in giving such notice shall not constitute a waiver of any default nor shall it change the time of default; provided, however, the injured party shall have no right to exercise any remedy for a default hereunder without delivering the written default notice, as specified herein.

c. Any failure or delay by a party in asserting any of its rights or remedies as to any default shall not operate as a waiver of any default or of any rights or remedies associated with a default.

d. In the event that a default of any party to this Agreement may remain uncured for more than fifteen (15) calendar days following written notice, as provided above, a "material breach" shall be deemed to have occurred. In the event of a material breach, the injured party shall be entitled to seek any appropriate remedy or damages as otherwise set forth herein and by initiating legal proceedings.

Section 21. REMEDIES

If Contractor materially breaches any of the terms of this Agreement, the City's remedies shall include, but shall not be limited to, the following:

- a. Immediately terminate the Agreement;
