DESERT HOT SPRINGS LITTLE LEAGUE MANAGER'S APPLICATION

The Desert Hot Springs Little League Manager Selection process is designed to be objective, fair and ensure the best possible individuals are selected to lead the DHSLL teams.

ELIGIBILITY REQUIREMENTS

Any individual over the age of 18 that possesses the desire and willingness to spend the required time to coach our youth. They need to possess a good positive attitude, and to demonstrate that they are willing to teach our kids in the league the fundamentals of baseball/softball and sportsmanship. You will also be required to fill out a Volunteer Form for background check annually.

SELECTION PROCESS

Candidates for manager nominate themselves by submitting a Desert Hot Springs Little League Manager Application form. Only those that have submitted a written application will be considered for a Desert Hot Springs Little League Managerial position.

Submission of a Manager Application DOES NOT GUARANTEE placement as Manager. If in the event there are more Manager Applicants than teams in any particular division, the applicants shall participate in a small interview process with the President. The Board shall vote on and approve all Manager Applications. Being a manager in a prior year does not guarantee a manager position for future years.

EXPECTATIONS:

Time Commitment: DHSLL expects that manager applicants understand the time commitment that it takes to manage a team. In addition to games, there are practices and paperwork and phone calls and dealing with parents, along with a myriad of other issues that come up along the way. Please make sure that your personal and work schedule will allow you to take on that commitment.

Philosophy: As a DHSLL Manager, you are entrusted with our league's youth. As the manager, you will be placed in the most important and visible leadership position within our league. Players will look to you for direction and encouragement. Parents will be entrusting you with their most precious possession. As the manager, you may be faced with difficult choices. Some may pit the natural desire to win against maintaining an atmosphere that is mutually beneficial to all children. Other times, you may be challenged to demonstrate respect for the judgment and authority of the umpire. It is important you do so in order to instill in your players a respect for authority of adult leaders in the league. Regardless of the challenges you face, you, as the leader, must always have the long-term interest of all children involved in mind.
