

## Tedesco Park Upgrades

Have you noticed the changes going on at Tedesco Park?

Demolition of the old playground, the climbing rock, and splash pad area has begun. The completed project will feature shaded picnic tables/areas for year-round enjoyment, new trash cans, and great views of the newly-installed playground equipment just a few feet away.

The park is open during construction. Please utilize safety precautions by not entering the construction areas.

If you have any questions or concerns, please contact the Public Works Department at 760-329-6411 x222 or by emailing Judith Duenas at [jduenas@cityofdhs.org](mailto:jduenas@cityofdhs.org)
