

REQUEST FOR PROPOSAL

Date: November 14, 2022

Type of Work: Catch Basin/Inlet Cleanup and Maintenance

Project Name: 22/23 Catch Basin Cleanup and Maintenance

Scope of Work:

The City of Desert Hot Springs is hereby requesting proposals for the city-wide catch basin clean up and maintenance project. The scope of work shall include all labor, materials, and equipment necessary to clean-out and wash approximately 175 catch basins and sidewalk/planter drains (contractor to verify number of catch basins and planter/sidewalk drains) . The inlet structures/drains are to be free of all debris including but not limited to trash, shrubs, rocks, sand, and mud. Contractor shall clean and legally dispose of all material removed from the inlet and provide dump weight tickets to the City. Contractor shall leave the inlet/drain structures in their original design condition. This bid excludes refurbishing of the inlet/drain structure. All work shall be prevailing wage. Contractor is to furnish its own water source and submit traffic control plans for City approval. Contractor shall submit work orders for each facility through the City's workorder software (Brightly), and include all necessary attachments and information. Any additional catch basins shall be added to the facility inventory, and a maintenance report/summary shall be provided to the City.

Proposals Due Date and Time: December 1, 2022

Proposals Submitted To: Submit proposals via email to jferris@cityofdhs.org or drop off in person at:

Attn: Jilleen Ferris
11999 Palm Drive
Desert Hot Springs, CA 92240
