JAN - MAR

2023

HAPPY NEW YEAR!

Just a quick reminder that collections in the first week of January will follow the normal schedule.

GREEN CARTS ARE ON THE WAY / EVERYTHING IN ITS PLACE

January 9-13: Carts will be delivered to customers • **January 16-20:** First organic waste collections begin on your regular collection day

This program is mandated by the State of California.

Use the **GREEN** cart to recycle **Yard Waste** (grass clippings, shrub and tree trimmings and other plant materials) AND **Kitchen Scraps** (food leftovers, spoiled produce, eggshells, coffee grounds, tea bags, cooked meat including bones and even food-stained paper plates and pizza boxes).

Kitchen Scraps must be in a **clear plastic bag**. Clear bags are required by the processing facility. The thin plastic bags that you use to bring home produce from the grocery store will work well for this.

Thank you for your cooperation and we look forward to your participation in Organic Waste Recycling!
