WETLANDS FLAGGING INFORMATION

Incorporated Village of East Hampton

www.easthamptonvillage.org

If your property contains wetlands, you should send a letter to Thomas Preiato, the Building Inspector, requesting that the wetlands be flagged. You need to submit a survey and a fee for the flagging. The fee is \$700 for the flagging of lots up to 1.5 acres and increases for each additional acre. The current fee schedule is on the back. Once the wetlands have been flagged, we will notify you in writing and you can have your property resurveyed.
