Rental Information, Rules, and Regulations:

The following rules and regulations apply to Ela Township facilities being used for private use. Designated facilities are available for rental when they are not needed for Ela Township related business and/or programs. Ela Township reserves the right to govern facility use or cancel agreements with a full refund if deemed in the Township’s best interest of its facilities, conduct repairs, or any other unforeseen extenuating circumstance.

Everything Ela Township does with their facilities is subsidized by tax dollars. Although programs, services and facilities available have a value and benefit to individuals, families, the community and the economy, a strategy of the Township is to generate non-tax revenue for cost recovery and lessen the burden to taxpayers. Therefore, rental fees at Ela Township facilities are established to provide a revenue stream in recovering operational costs at Township-owned facilities.

Ela Township does not discriminate against any renter regarding the rental or use of its public facilities on the basis of race, color, religion or creed, marital status, sex, national origin or ancestry, sexual orientation, age, citizenship status, military or veteran status, genetic information or disability. Subsequently, Ela Township will not rent or allow use of any Township-owned facility to any person and/or organization that illegally discriminates based on any of the aforementioned protected classes.
