4. ADHERENCE TO LAWS  
Employees and agents of Contractor shall obey all federal, state, county and municipal laws and ordinances during the execution of their duties under this Contract. In addition, Contractor is required to comply with all federal, state, county and municipal laws and ordinances, including the following:

- a. Provide a drug free workplace pursuant to the Illinois Drug Free Workplace Act (30 ILCS 580/1, et seq.);
- b. Comply with the Illinois Public Works Employment Discrimination Act (775 ILCS 10/1 et seq.);
- c. Comply with Article 2 of the Illinois Human Rights Act (775 ILCS 5/2-101, et seq.), and the Rules and Regulations of the Illinois Department of Human Rights, including establishment and maintenance of a sexual harassment policy as required by Section 2-105 of that Article and Act;
- d. Comply with the Americans with Disabilities Act; and

- e. Comply with the provisions of the EQUAL EMPLOYMENT OPPORTUNITY CLAUSE required by the Illinois Department of Human Rights as a material term of all public contracts, which states as follows:

**Title 44, Part 750, Section 750, APPENDIX A, Illinois Administrative Code, Equal Employment Opportunity Clause.**

**EQUAL EMPLOYMENT OPPORTUNITY**

In the event of contractor's non-compliance with the provisions of this Equal Employment Opportunity Clause, the Illinois Human Rights Act or the Rules and Regulations of the Illinois Department of Human Rights ("Department"), contractor may be declared ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions, and the contract may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation. During the performance of this contract, the contractor agrees as follows:

- 1) That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, marital status, national origin or ancestry, age, physical or mental handicap unrelated to ability, or an unfavorable discharge from military service; and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.
- 2) That, if it hires additional employees in order to perform this contract or any portion thereof, it will determine the availability (in accordance with the Department's Rules) of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.
- 3) That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, marital status, national origin or ancestry, age, physical or mental handicap unrelated to ability, or an unfavorable discharge from military service.
- 4) That it will send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the contractor's obligations under the Illinois Human Rights Act and the Department's Rules. If any such labor organization or representative fails or refuses to cooperate with the contractor in its efforts to comply with such Act and Rules, the contractor will promptly so notify the Department and the contracting agency and will recruit employees from other sources when necessary to fulfill its obligations thereunder.
- 5) That it will submit reports as required by the Department's Rules, furnish all relevant information as may from time to time be requested by the Department

or the contracting agency, and in all respects comply with the Illinois Human Rights Act and the Department's Rules.

6) That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and the Department for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and the Department's Rules.

7) That it will include verbatim or by reference the provisions of this clause in every subcontract it awards under which any portion of the contract obligations are undertaken or assumed, so that such provisions will be binding upon such subcontractor. In the same manner as with other provisions of this contract, the contractor will be liable for compliance with applicable provisions of this clause by such subcontractors; and further it will promptly notify the contracting agency and the Department in the event any subcontractor fails or refuses to comply therewith. In addition, the contractor will not utilize any subcontractor declared by the Illinois Human Rights Commission to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

With respect to the two types of subcontracts referred to under paragraph 7 of the Equal Employment Opportunity Clause above, following is an excerpt of Section 750.30 of the Department of Human Right's Rules and Regulations for Public Contracts:

**Title 44, Part 750, Section 750.30, Illinois Administrative Code, Subcontracts**

Each public contractor and subcontractor shall in turn include the Equal Employment Opportunity Clause set forth in Appendix A of this Part in each of its subcontracts under which any portion of the contract obligations are undertaken or assumed, said inclusion to be either verbatim or by reference so that the provisions of the clause will be binding upon such subcontractors.

Such insurance is primary and in no event will be considered contributory to any insurance purchased by the Township. Such insurance will not be canceled, reduced, or materially changed without providing the Township thirty (30) days advance written notice, via certified mail.

Contractor shall maintain all insurance required under subsections a through h of this Section for not less than one (1) year after completion of this contract.

10. CONTRACT TERMINATION

The Township and Contractor reserve the right to terminate the Contract at any time upon ten (10) days advance written notice to the other party. In addition to the provisions set forth in Section General conditions (A,7) for immediate termination, failure of Contractor to perform any aspect of this Contract properly and/or to provide proper treatment to the general public, in the sole discretion of the Township, is cause for immediate termination of the Contract without prior notice.

11. LENGTH OF CONTRACT

This Contract shall begin within 15 days after Notice to Proceed is issued and all construction is to be completed within forty-five (45) days after notice to proceed. The Contractor shall perform all work within a minimum of two (2) or more mobilizations in order to continue to allow necessary time for performed services to cure while permitting needed access for continuous parking of Township employees and residents. It is hereby understood and mutually agreed, by and between the Contractor and Township, that the date of beginning and the time for completion as specified in the contract of the work to be done hereunder are ESSENTIAL CONDITIONS of this contract.

The Contractor agrees that said work shall be executed regularly, diligently, and uninterruptedly at such rate of progress as will ensure full completion thereof within the time specified. It is expressly understood and agreed, by and between the Contractor and the Township, that the time for the completion of the work described herein is a reasonable time for the completion of the same, taking into consideration the average climatic range and usual industrial conditions prevailing in this locality. If the said Contractor shall neglect, fail or refuse to complete the work within the time herein specified, or any proper extension thereof granted by the Township, then the Contractor does hereby agree, as a part consideration for the awarding of this contract, to pay the Township the amount of \$500.00 per day, not as a penalty but as liquidated damages for such breach of contract as hereinunder set forth, for each and every calendar day that the Contractor shall be in default after the time stipulated in the contract for completing the work.

15. SEVERABILITY

The invalidity or unenforceability of one or more of the terms or provisions contained in this Contract shall not affect the validity or enforceability of the remaining terms and provisions of this Contract so long as the material purposes of this contract can be determined and effectuated.
