

## Bad Code Bingo

|                                       |                                  |                                  |                                      |
|---------------------------------------|----------------------------------|----------------------------------|--------------------------------------|
| Too many materials required           | Too much parking required        | Difficult process to change uses | No artisanal manufacturing permitted |
| Blank walls allowed                   | Emphasizing density over design  | Parking required on-site         | Single-use parking                   |
| Narrow sidewalks                      | Four-sided architecture required | Uses: too prescriptive           | Too many curb cuts                   |
| Right-of-way encroachments prohibited | No on-street parking permitted   | No street trees                  | "Nervous facades"                    |
