

Professional Certificate in Advanced Public Engagement for Local Government

> Three-Day Intensive Workshop for Local Government Practitioners

In an age where trust in government (and indeed all institutions for that matter) is at an all-time low, the very future of local representative democracy requires leaders with a new skill – the ability to break through cynicism and mistrust to directly engage residents in local policy.

Peer learning & networking

Leading edge engagement techniques from experts

Interactive sessions on community engagement

Practical and actionable steps for real life application

The experience offered philosophical and strategic insight, tactical approaches, and a network of trusted professionals I can consult with going forward.

- *Megan MacPherson, APR, City of Roseville
Director of Public Affairs & Communication*

I left with a fresh perspective and actionable techniques that I can put to use immediately in serving our citizens.

- *Seth Patton, Policy Advisor for County of San Diego Supervisor Bill Horn, 5th District*

This program was incredibly valuable and relevant for local governments at all levels. Expert instructors provided excellent insight into proven macro and micro level techniques to engage your audience.

- *Alyson Piguee, County of Orange Social Services Department*

Course Topics Include :

- Why Public Engagement? Why Now?
- Getting Engagement Right from the Start
