

Concept

#ELGLRoadTrip is a hyperlocal conferencing opportunity for local leaders nationwide. During the week of September 23-27, 2019, ELGL members can attend 25 learning sessions hosted locally across the country and in the UK. #ELGLRoadTrip events provide interesting local government learning opportunities, while strengthening local networks. Each location will host 30-60 people from the region. A limited number of sponsorships are available.
