

INNOVATION
COHORT

The logo features a central blue rocket with the letters 'EIGL' written vertically on its side. The rocket is positioned at the top of a colorful, multi-layered launch trail that fans out downwards in shades of blue, red, and yellow. Surrounding the rocket are several small yellow stars and diamond shapes, suggesting a starry or innovative theme. The word 'INNOVATION' is written in a large, bold, dark blue font, arching over the top half of the graphic. Below the graphic, the word 'COHORT' is written in a similar bold, dark blue font.
