2024 Fairfax Evacuation Drill Planning

---

- Objectives
- Drill Type
- Location
- Date/Time
- Public Outreach

# Things to consider

---

To provide residents an opportunity to simulate an evacuation:

- Review Wildfire Survival Checklist
- Utilize Wildfire Evacuation Checklist
- Ensure Go-Bag has sufficient items
- Identify primary and secondary routes of travel

# Objectives

---

What type of drill do we want to have?

- Driveway
- Drive through

# Drill Type

---

## Possible Locations:

- St. Ritas School
- White Hill School

# Location

---

What is the best date and time?

- Usually the best days are Saturday or Sunday
- We have found between 9am - 12pm is a good time

# **Date/Time**

---

Public Outreach is critical for success:

- Town News Letters
- Firewise Communities
- Nextdoor
- Social Media
- Nixle
- RVFD Website

*\*Note: The Emergency Alerting System (sometime referred to as Alert Marin) is used for emergency situations only and will not be used as part of our public outreach.*
