Re: Acceptance of Form Petition for Recall of Councilmember Lisel Blash:

On March 19, 2025, you filed with this Office two blank copies of a form petition seeking the recall of Councilmember Lisel Blash ("Officer"), pursuant to California Elections Code section 11042 along with proof of publication of the Notice of Intention to Circulate Recall Petition. After conducting a review, on March 27, 2025 this Office notified you that the proof of publication was sufficient but that the form petition required certain corrections in order to comply with Elections Code requirements.

On March 27, 2025, you timely filed two revised blank copies of the form petition with this Office. The Elections Code requires this Office to respond to you within 10 days with written findings as to whether the revised form petition complies with the Elections Code. If it does not, I am required to state what corrections in the form petition are necessary.

I am notifying you by this letter of my finding that the proposed form and wording of the revised petition now complies with Elections Code requirements. You may now circulate it to secure Town of Fairfax registered voter signatures.

Pursuant to Elections Code section 11220, the signed recall petition shall be filed with this Office not later than 90 days from today, with tomorrow being Day 1. Therefore, the petition shall be filed no later than the close of normal office hours on Monday, June 30, 2025

Pursuant to Elections Code section 11221, the recall petition shall be signed by not less than twenty five percent (25%) of the registered voters of the Town. Therefore, the number of signatures required is 1,479.

Please feel free to contact me with any questions.

Sincerely,

Christine Foster, Deputy Town Clerk  
Elections Official for the Town of Fairfax
