

TOWN OF FAIRFAX
STAFF REPORT
May 3, 2017

TO: Mayor and Town Council
FROM: Garrett Toy, Town Manager *GT*
SUBJECT: Discuss the concept of a Fair Housing Ordinance

RECOMMENDATION

Discuss the concept of adopting an ordinance similar to the attached Fair Housing ordinance adopted by the County of Marin.

DISCUSSION

Councilmember Coler asked that this item be added to the agenda for the Council's consideration tonight. The attached ordinance was adopted by the County of Marin. In essence, the County's ordinance prohibits landlords from discriminating against prospective renters solely on the basis that a portion of their rent is guaranteed by a third party subsidy (e.g., Section 8 housing voucher).

Dear Mr. Toy:

In November 2016, the Board of Supervisors adopted a Fair Housing Ordinance intended to eliminate limitations in the provision of rental housing merely because a family, veteran or other renter receives third party rental assistance through the Housing Choice (Section 8), Veterans Affairs Supportive Housing, Housing for People with AIDS, and Shelter Plus Care programs. In light of the opportunity to expand these protections, I am writing to suggest the City of Fairfax considers joining the County in adopting a fair housing ordinance that creates a level playing field for all renters throughout Marin.

As you may know, source of income protection prevents landlords from advertising or stating a preference for certain sources of income, from charging a higher deposit based on a person's source of income, and from treating a person differently based on their source of income. With the Board's adoption of the Ordinance, these protections currently apply to housing in unincorporated areas of Marin.

The Fair Housing Ordinance acknowledges that housing vouchers are an important tool providing affordable housing for over 2,000 households with Section 8 vouchers in Marin. However, the benefits of the voucher programs depend on the ability of voucher recipients to locate a landlord willing to accept a voucher. The Ordinance establishes parity for prospective renters with vouchers by preventing landlords from categorically rejecting them solely on the basis that a portion of their rent is guaranteed by a third party subsidy. It does not, however, hinder or prevent landlords and property owners from screening and rejecting prospective tenants based on legitimate factors, such as total income, credit history, rental history, and references.

The County's Fair Housing Ordinance followed the Board of Supervisors decision in July 2016 to allocate \$450,000 for a new countywide landlord incentives program available throughout Marin. The Landlord Partnership Program aims to make landlord participation in the Section 8 program more attractive, feasible and streamlined and the funds are available within your jurisdiction. The program should help address landlord concerns in renting to voucher holders by covering a range of potential costs based on perceived risks or prior experience that may be associated with the Section 8 program. The program provides landlord funding for increased or double security deposits, a loss mitigation pool for potential damage or non-payment of rent that exceeds a security deposit, and vacancy loss coverage that can provide a month's rent payment during vacancy.

Enclosed please find a copy of the Fair Housing Ordinance. We would be happy to provide your staff with assistance if you are interested in exploring a similar ordinance. Please contact Leelee Thomas, Planning Manager at lthomas@marincounty.org or 415.473.6697.
