**New Business**

1. **Peri Park playground update** – Chris, Alexis, and Maria gave a report on the status of the playground renovation. Anne, Maria, and Richard Sloan met with Mark Lockaby, Public Works Manager, two weeks ago. Richard briefed Mark on what the foundation will be (wood chips), and discussed the parameters of the project. A sub-committee meeting took place last week, with Anne, Richard, Chris, Alexis and Maria. At this meeting, design and events were discussed. The plan is to keep the same footprint of the playground, and re-use some of the structures, such as the slides, that are in good condition. The next step is for Richard to take measurements of the playground, which will allow him to get an estimate for the foundation and the groundwork. This information will be presented at the July 9<sup>th</sup> PARC meeting.
2. **Measure A report** – Monty announced he had attended the meeting, and \$26,000 was allocated to the Peri Park playground renovation for this year, bringing the total to \$50,000 over a two year period.
3. **Re-cap of Fairfax Festival-** Maria announced she had staffed a Volunteers table at Ecofest over the two days. Recreation literature was distributed, included guides, summer camp flyers, and senior programming brochures.

The meeting adjourned at 7:45 p.m. Next meeting will be on July 9th.
